

North county health unit To be established here, More town offices needed

Ontario leadership Candidates to address N. York liberals May 19

Brigadier Colin Campbell, Woodbridge, president of the North York Liberal Association, has announced that among the guest speakers at the annual meeting of the Association to be held next Friday evening, May 19, will be Walter Thompson, M.P., and Campbell Calder, M.P., two candidates for the leadership of the Ontario Liberal party.

The meeting will be held in the Armour Heights public school auditorium, Wilson Ave., North York township, and will commence at 8.30 p.m. D.S.T. Mr. Thompson, the member for Ontario county and who is a lawyer and a farmer, will be introduced by J. E. Smith, M.P., and Campbell Calder, M.P., member of the Ontario legislature for London, will be introduced by President Campbell.

There will be election of officers and general business after which refreshments will be served. Everyone is cordially invited to attend.

Optimist carnival Proceeds of \$600 To aid ball teams

Proceeds from the Newmarket Optimist Club carnival held last week will go to boys' work locally. Club president J. O. Dales said this week that when the accounts were all in, the club hopes to show a profit of \$600.

"The baseball season is almost upon us and the Optimists have promised to stand behind several of the younger boys' teams," he said.

P.H. nurse inspects All school beginners, 15 percent left to do

Over 90 children who have been registered to start school next fall have been seen by the public health nurse, Miss Clara Kittner. "About 15 percent have yet to be inspected," said Miss Kittner. "Parents may make an appointment to bring their children to the public health office on Botsford St."

The public health nurse pointed out that 26 of the children inspected so far have had tonsils and adenoids removed. Eleven of the total were kept for a doctor's observation.

Volunteers who prepared file cards and measured height and weight were Mrs. Leslie Barber, Mrs. R. Caldwell, Mrs. Lee, Mrs. Booth, Mrs. Boudreau and Mrs. Sinclair.

Newmarket in top three In classes at York festival

A class from each of the three Newmarket public schools participated in the third annual York music festival, Robinson Auditorium, Woodbridge, on Wednesday, May 10. The festival was held from May 8 to 12. Adjudicator in the school vocal class was W. A. Capps, A.C.A.M., Brampton.

The three Newmarket class room choirs were directed by Herman Fowler, Mus. Bac. Mrs. Thompson's class, Alexander Muir school, was the only entry in the grade four group and received the shield for first place with a score of 80 percent. The test pieces were "The Sleep Fairy" and "The Little Fiddler". Mrs. Proctor's class, Stuart Scott school, came second in the

The York county health unit decided Tuesday night to make its headquarters in Newmarket. The new health unit which is being formed by the union of public health services by most of the 14 north York municipalities will have its offices in the present public health offices on Botsford St., also in rooms on the second floor above these offices.

SEEK OFFICE SPACE FOR TOWN CLERK

The next problem for the Newmarket council, now that the county health unit will be established here, will be to find accommodation for the town clerk. As the health unit expands it will require the town clerk's office space. Plans have been made to put the clerk's offices in a new municipal building at the town hall. If council decides to build a new municipal centre, the clerk's accommodation may become a problem.

If the new building plans are put to a vote of the people in the fall, the following spring would be the earliest possible completion date for new municipal offices. This would not be a reliable answer as the public vote could turn down a new building project. Councillor Bowser was one who opposed the health unit accommodation at the clerk's office.

"Everybody knows that we have no other accommodation for the town clerk. And that is the most important office we have in the town," he said.

Find new building Costs are no more Than renovating hall

A new municipal building would cost no more than town hall alterations. The Newmarket council was told by architects at a meeting on Monday night that new construction, possible on the town owned Park Ave. property behind the post office, would cost approximately \$100,000. The same estimates were given for renovating the town hall and adding a fire hall extension to the south.

Council has had the town hall alteration proposal to work on for the last few months. First attempt at preparations to work on a cost plus contract basis was nipped in the bud by the Ontario municipal board. A by-law passed by council to call for a contract tender on alterations was finally approved by the board.

Now most councillors agree that it would be logical to put up a new building since the estimated cost for both is approximately the same.

"The only difference is that a new building with the same estimated costs would not provide an auditorium or make provisions for a municipal market," said Robert Cripps. Mr. Cripps, a former Newmarket man, was representing John B. Parkin Associates, a firm of architects engaged by the council to plan town hall alterations.

By adding an auditorium, the new building would cost approximately \$158,000. The auditorium

The health unit will use this location as a temporary headquarters, according to Councillor J. O. Dales. When the town clerk's office can be moved to a new location, the health unit is expected to take over the whole ground floor at the present municipal offices at the corner of Main and Botsford Sts.

Approval of a county health unit scheme by nine of the municipalities in north York county first resulted in its formation. Since that time most of the remaining municipalities have decided to come in under the health plan. The greatest advantage of the health unit is that it provides health services in all parts of the county, not only in urban centres. Some townships have had no health services in the past.

In Newmarket, it is believed that the people will be getting similar public health services as they had before. The present Newmarket board of health will have one more meeting in June before it makes way for the county health unit. Dr. L. W. Dales, M.O.H. and member of the Newmarket board of health, has been appointed by the board to the health unit.

When the health unit is working on a full scale, it is believed that nine offices, five stenographers and clerks will be required. The sanitary inspectors, health officers and other personnel will work out of Newmarket.

A new municipal building would cost no more than town hall alterations. The Newmarket council was told by architects at a meeting on Monday night that new construction, possible on the town owned Park Ave. property behind the post office, would cost approximately \$100,000. The same estimates were given for renovating the town hall and adding a fire hall extension to the south.

Council has had the town hall alteration proposal to work on for the last few months. First attempt at preparations to work on a cost plus contract basis was nipped in the bud by the Ontario municipal board. A by-law passed by council to call for a contract tender on alterations was finally approved by the board.

Now most councillors agree that it would be logical to put up a new building since the estimated cost for both is approximately the same.

"The only difference is that a new building with the same estimated costs would not provide an auditorium or make provisions for a municipal market," said Robert Cripps. Mr. Cripps, a former Newmarket man, was representing John B. Parkin Associates, a firm of architects engaged by the council to plan town hall alterations.

By adding an auditorium, the new building would cost approximately \$158,000. The auditorium

could be used as a magistrate's court.

Councillor Charles VanZant said that council ought to build an auditorium while it was at it. Councillor Bowser suggested that a larger auditorium to hold more people than the present town hall should be built. "The town is growing and many audiences fill the town hall at the present time," he said. Councillor Paynter pointed out that he had been opposed to the alteration project previously and that he advised council that a new building should be constructed.

A further estimate for a new building to include a larger town hall and new county health unit offices in the basement was slightly under \$200,000.

It remains for council to decide a policy for its next move. If a decision were made for a new building, plans and specifications would not be ready for at least two and a half months. It is believed that council could not call for tenders until August.

Most members of council agreed that a new building project would require a special vote of the people.

Give aid only if sure
Canvasser authorized

There have been several warnings in the press and radio against unauthorized canvassers who have solicited money under false pretenses. To guard against this, a schedule of collections has been printed upon this page with the names of those in charge.

If, however, a householder has the slightest doubt about a canvasser, he is advised to make his contribution directly to the banks, or call Mrs. Caroline Ion at 993 or John Meyer at 1000.

WINNIPEG EVACUATION BY ROWBOAT

THEY NEED ALL OUR HELP

Canvassers for funds and for clothing for Manitoba flood victims will be going from door to door throughout Newmarket in the next few days. The organization of the canvass for funds was arranged following an appeal from Manitoba for newspaper offices to serve as collecting agencies. Co-chairmen of the financial campaign are Mrs. Caroline Ion, women's editor, and John Meyer, editor, of The Era and Express.

The funds will be placed in the Newmarket banks as they are collected and from the banks, forwarded to the Manitoba Flood Relief Fund. The names of contributors will be published in The Era and Express.

The Manitoba Flood Relief Fund will be used exclusively to assist the rehabilitation of flood victims, thousands of whom have lost everything but the clothes they wear.

If 25 cents were contributed for every person in Newmarket, this town's contribution would exceed \$1,000. It is not much to ask for those who have lost everything.

Every cent will help. Give now. Whatever we can do will renew hope for those whose future appears hopeless.

FLOOD HIGHLIGHTS

St. John's school students have raised the sum of \$7.50 which they have already forwarded to the west.

Mr. and Mrs. D. J. Hutchings, Lundy's Lane, have several close relatives in the flood area who have been forced to leave their homes.

Mrs. M. Gilmour, Winnipeg, is staying with her cousin, Mrs. Cassavoy, on Gorham St. until the flood abates. Her husband is a C.P.R. worker and has been kept busy with evacuation work. Mrs. Gilmour's home is safe from the flood waters but it was thought it best she should leave the city when Brig. Morton, flood chief, asked for voluntary evacuation of the city.

The Office Specialty branch sales office in Winnipeg is away from immediate danger but one salesman can only reach his home by boat. Only the telephone service is operating in the office which has become a small centre for calls by neighboring offices.

The Newmarket Business and Professional Women's Club voted to cancel the sending of a delegate to an international convention and to turn the funds for this project over to the flood relief. The amount was \$60.

St. Paul's church Parochial Guild has donated \$10 to flood relief.

Newmarket Optimist Club has donated \$100 to the Manitoba Flood Relief Fund.

PETITION PAVING

Council received a petition from property owners on Niagara St. on Monday night. The petition requested council to pave Niagara St. from Queen to Davis Dr. and install curbs and gutters.

Most members of council agreed that a new building project would require a special vote of the people.

TO LICENSE CARNIVALS

Newmarket council passed a resolution to control carnivals and circuses on Monday night. The motion by Councillor J. O. Dales requested that a by-law be introduced stipulating that no circuses, carnivals or such shows be granted license to play in Newmarket unless they are under the auspices of a local service club. Mr. Dales said it would be done to control profits going out of town.

Merchants close All day May 24

Most of the Main St. merchants in Newmarket have indicated that they will close their businesses on Wednesday, May 24, all day. On Tuesday, May 23, their business hours will be from 9 a.m. until 6 p.m.

Mrs. Keith S. Wood, daughter of Mr. and Mrs. J. B. Walker, has been flooded out of her home in St. Boniface. The family has been evacuated outside the city.

Keswick Optimist Club has raised \$70 for flood relief by auctioning off an all-wool car rug donated by J. C. and Clayton Purdy at the meeting last night. The money and the rug will be sent to the Winnipeg Optimist Club, one of whose members was the first casualty of the flood.

Jack Russell was installed as president at the meeting by Governor Dr. Don Twiss, Brantford.

Coming Events

Friday, May 19 — Last Junior Farmer dance of season at Sharon hall. Charlie VanZant's orchestra. Cafeteria lunch. Sponsored by Sharon Junior Farmers. Admission: 50c. c2w19

Saturday, May 20 — Maytime ten, homemade baking and apron sale at the Parish Hall in aid of Women's Auxiliary, Trinity Anglican church, Aurora, from 3 to 5.30 p.m. Admission: 35c. c1w20

Friday, May 26 — Modern and old time dancing to Leo Pax-

LIONS REVIVE MINSTREL SHOW FOR FLOOD AID

The Newmarket Lions Club is staging a one-night revival of their popular Minstrel Show at the Newmarket town hall on Thursday night, June 1, with all seats reserved. The entire proceeds will go to the Manitoba Flood Relief Fund.

The club has already contributed \$100 to the Red Cross. The Minstrel Show proceeds will be in addition to this.

Although the songs will be the same, the script is being revised so that the show will be a new presentation. The decision to revive the show was spontaneous on the part of the cast with everyone of them anxious to contribute in this way to the relief of the flood victims.

The reserved seat plan is at Best's Drug Store. Tickets are \$1.

Request parents' care About measles contact

The Newmarket board of health has requested public co-operation of parents whose children have communicable diseases. Dr. L. W. Dales requests that parents "assume their responsibility and not allow children who have measles or chicken pox to come in contact with neighboring children even on their own property."

According to the board of health there is a mild epidemic of measles on at the present time among school children.

Thompson's Beauty Salon At new site in June

Thompson's Beauty Salon will move into its new quarters on the west side of Main St. next door to Dr. Edwards' residence before the end of June. The move is being made so that larger, more modern quarters can be provided for the salon. "We were limited in the old quarters at the foot of Main St. and by this move we hope to provide our customers with a completely new and modern salon," said Mrs. Lillian Rank, proprietress.

OPEN SALES OFFICE

The Davis Leather Co. Ltd., Newmarket, opened a sales office in New York on Monday as part of its plan to extend sales of Davis products in the United States.

ton's orchestra, at Vandorf hall. Sponsored by Vandorf Junior Farmers. Admission 50c. c2w20

Saturday, May 27 — Garden visit to the grounds of Mr. and Mrs. W. L. Kidd (off Gorham St.) 2 to 5 p.m. Sponsored by the Newmarket Horticultural society. Public cordially invited. Come and see the tulips at their best. c2w20

Tuesday, May 30 — Newmarket Home and School association annual meeting and installation of officers. Alexander Muir school. Guest speaker, Dr. M. E. R. Boudreau. Folk dancing by pupils from classes of Mrs. Proctor and Mr. Hollingsworth. Begins 8 p.m. promptly. Public cordially invited. c2w20

Tuesday, May 30 — General meeting of the East Gwillimbury Federation of Agriculture in Sharon Hall at 8 p.m. D.S.T. Special speaker, Mr. Kingsley Brown, editor of "The Red Co-operator". All are urged to attend. c3w19

May 29 - June 3 — Second annual clean-up, paint-up week. Special pick-up of garden trash, etc., west side on Wednesday, May 31, east side on Saturday, June 3. Sponsored by Newmarket Horticultural society. Help beautify your town through cleanliness. c3w20

Friday, June 9 — Piano recital by pupils of Mae Patterson, Newmarket High School auditorium, at 8 p.m. c2w20

Wednesday, July 26 — Don't forget the Newmarket Canadian Legion Carnival. Soap-box derby, street dance and games galore. Remember July 26. c1w24

Dance to Norm Burling and his Kingmen at Beeton Memorial auditorium every Friday night. Admission 75c and 50c. c1w24

Food Haven Inn, outskirts of Bradford, specializing in Chinese dishes. "Chicken in the nest", steaks, chops. Catering. Phone Bradford 2449. c1w24

Dance at Aurora High School Auditorium every Saturday night. Admission 50c. c1w24

Dancing every Saturday evening at Club 14, Newmarket. Max Bong and his orchestra. c1w24

Dance to Norm Burling and his Kingmen in the new Community hall at Bondhead hall every Wednesday. Will accommodate about 400 people. Modern and old time dancing. c1w24

Ask all to assist Victims of flood Seek cash, clothes

Arrangements have been completed for a door to door canvass of Newmarket by volunteers from local women's organizations for the Manitoba Flood Relief Fund. The financial canvass has been arranged through The Era and Express in response to the appeal for help from Manitoba officials.

At the same time, Newmarket Boy Scouts will conduct a door to door canvass for good used clothing to be sent to the flood victims. Elsewhere on this page is a schedule of the canvass. The clothing will be sorted and packed in the Scout hall by the Girl Guides and shipped directly by air to Winnipeg.

The Newmarket Red Cross is concerned chiefly with the collection of flood fighting supplies and has, to date, shipped over \$100 worth of socks, gloves, flashlights, and rubber boots. Contributions of this nature to the Red Cross work can be made at its depot on Main and Water Sts. Mrs. G. E. Case is Red Cross president.

Contributions to the financial campaign can be made through any of the banks in Newmarket. A list of contributors will be published in these columns as the campaign gets underway.

The financial canvass will be made by members of five women's organizations in Newmarket. They are: the Home and School Association, the Auxiliary of the Newmarket Legion branch, the Catholic Women's League, the Business and Professional Women's Club, and the Women's Institute. Convenors of the canvass for their respective organizations, in the same order as above, are Mrs. Ted Mitchell, Mrs. Robert Bunn, Mrs. Henry Moore, Mrs. Mervyn Peever, and Mrs. T. A. Mitchell.

These five ladies make up the financial committee with Mrs. Caroline Ion, women's editor, and John Meyer, editor of the Era and Express, as co-chairmen. The money collected in this campaign will be used for the rehabilitation of flood victims. At present, federal and provincial governments have promised substantial aid, but the Manitoba Flood Relief Fund has been organized to assist the individuals which the governments cannot help.

Red Cross ships Dyke supplies

Over \$100 worth of flood fighting supplies was shipped from Newmarket on Monday night to Winnipeg through the Newmarket Red Cross. The Newmarket branch received a wire on Saturday urgently requesting heavy wool socks, gloves, rubber boots and flashlights.

Newmarket Lions club donated \$100 for the purchase of these supplies which included 120 pairs of socks, 68 pairs of gloves, and 18 flashlights with batteries, and one pair of hip waders.

The Red Cross was also assisted by donations from Miss Edith Robertson, Mrs. Lillian Rank and Morton Brothers who gave six flashlights, and Mrs. J. C. R. Edwards who provided batteries for them.

C. R. Insley donated several pairs of insoles.

The goods were packed by the merchants and taken to Malton on Monday night by J. B. Bastedo where they were immediately placed on a plane for Winnipeg.

The Red Cross is continuing its appeal for flood fighting assistance with particular insistence upon rubber boots. The Red Cross depot at the corner of Water and Main Sts. is where such contributions can be left.

The Red Cross in Newmarket is concerning itself exclusively with collection of material by which to fight the floods, socks, gloves, etc. Collection of clothes for flood victims and canvass for

the Manitoba Flood Relief Fund is being done by other committees.

Door - to - door canvass

The following are the streets and the organizations which will canvass them for the Manitoba Flood Relief Fund campaign:

Women's Institute: Main St. from Millard Ave. to Simcoe St.; Queen St. west of C.N.R. tracks; Arden Ave.; Joseph St.; Niagara St. from Millard Ave. to Simcoe St.; Raglan St.; Tecumseh St.; Prospect St. south of Queen to town limits; Concession St.; Wellington St.; Charlotte St.; Lydia St.; Timothy St. east of Main St.; Water St. east of Main St.; Pearson St.; Cotter St.; Second St.; Oak St.; College St.

Business and Professional Women's club: Main St. from Water St. to Millard Ave.; Cedar St.; Bruce St.; Queen St. east of C.N.R. tracks; Davis Dr. east of C.N.R. tracks; Prospect St. from Queen St. to Davis Dr.; Grace St.; Charles St.; Roxborough St.; Queen's Lane.

Catholic Women's League: Millard Ave.; Simcoe St.; Superior St.; Main St. north of Simcoe St.; Davis Dr. west of C.N.R. tracks; Penn St.; Vincent St.; Niagara St. north of Simcoe St.; Gorham St.; Pine St.; Court St.; Hamilton St.; any other small streets in vicinity of cemetery.

Home and School Association: William St.; Andrew St.; Eagle St.; D'Arcy St. and Water St. west of Main St.; Timothy St.; Botsford St.; Park Ave.; Lorne Ave.; John St.; Church St.; Elm St.; Victoria St.; Lundy Lane;

Boiton Ave.

Ladies' Auxiliary: Armitage Heights; Pleasantview Ave.; Crescent Rd.; Wesley St.; Vale St.; Lowell St.; Muriel St.; Arthur St.; Newton St.; Strigley St.; Ontario St.

Boy Scouts collecting
Clothing for Manitoba

The Newmarket Boy Scouts are conducting a campaign to collect used clothing for Manitoba flood victims. The clothing will be sorted by Girl Guides and then shipped directly by air to Winnipeg. Lorne Paynter was appointed by council on Monday night to chair the campaign. For information, call him at 908w.

News of the W.I. In North York

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

Belhaven branch met at the hall on Tuesday, May 9, with many of the members present. Mrs. O. Smith, convenor, prepared a grand program on citizenship and education. One particularly interesting item was on using Mr. J. Nelson as an ideal citizen. Mrs. Erwin Winch and Mrs. Harry Horner gave readings relating to the above papers. Mrs. Donald Morton played an instrumental which was enjoyed by all. A lovely lunch was served by the hostesses, Mrs. Stiles, Mrs. D. Davidson and Mrs. H. Winch.

Sixteen ladies of Snowball branch visited the ladies of York County home last Friday afternoon. After a pleasant hour of singing and readings the ladies were given a treat and a number of potted plants and daffodils.

Lakeside branch will meet at the home of Mrs. Gordon Carr on Tuesday, May 23, at 2.30 p.m. Guest speaker will be Mrs. S. Corps, Elm Grove Institute. Roll-call: "How to be a good neighbor". All ladies welcome.

Farm Federation News

The regular monthly meeting of the York County Federation of Agriculture was held in the Vaughan council chambers at Maple. Report was made of progress in organizing York County poultry producers. A marketing scheme for soft wheat has been set up and a board appointed.

Markham unit led a discussion on equalization of farm assessment for school taxation. The routes of school buses were said unsatisfactory. It was thought that rural districts were used as a training for both teachers and preachers.

East Gwillimbury reported a public meeting for the end of May. Whitchurch reported a monthly meeting to be held. Rail grading of beef is before the farmer for consideration. It was thought that the farmer often bought back low grade beef at top prices.

The committee appointed to interview the government members on the embargo on pork products, reported favorably. The brief presented to the Ontario government by Mr. Millburne, secretary of the federation, was read. This brief brought before our government members the conditions of agriculture, prices on poultry, pork, butter, taxation on oils used for margarine, support prices for cheese, dairy regulations, soft wheat marketing, seed corn scheme, grapes, conservation of soil, price of coarse grains, advertising farm products, suburban taxation, daylight saving, cost of production of agriculture products.

The federation is looking after the interests of the farm people and should be supported by all farm people. The county group and the three township units are going to sponsor a public meeting on municipal affairs in June. It is hoped at this meeting to study the whole scope of taxation. There were six out of ten townships represented at the meeting.

The Mount Albert branch held its May meeting in the town hall with 18 ladies present. It was decided to make a Salvation Army canvass and a chest x-ray canvass at the same time.

The co-operative program was discussed and Citizenship, parts I and II, was chosen and for the short course, "The School Lunch" was first choice and "Oven Meals," second choice. The delegates chosen for the District Annual to be held in Belhaven on May 25 were Mrs. Macpherson, Mrs. D. Moorehead, Mrs. A. Harrison, Mrs. Bruce Rolling and Mrs. Carmen Rolling.

Mrs. Ken Mitchell had charge of the program and Mrs. Oliver sang a solo and an instrumental was played by Tommy Kurtz. Mrs. Murray Stokes gave a short talk on the convenors' conference for agriculture held at Guelph. She said we were to study soil conservation and that the Institute should take more interest in the Canadian Association of Consumers. By doing this we could improve the quality and standard of living. She gave information on the value of standing committees and said to study our hand book.

Mrs. Sinclair gave a few highlights of the address of Mrs. Sayre, the International President of the Country Women of the World. This meeting was held in Guelph on May 6. Mrs. Sayre told of the troubles she met when she went to the farm as a bride, and also of her recent visit to Germany and by her story of contacts there, we knew she had an understanding of world problems and needs.

Mrs. Sayre said: "It is a fellowship, a coming together from all around the world; it is your window to the world where you can look out beyond the horizons of your own home; it is a bridge of understanding. Patriotism meant a lot, but God's Kingdom meant more." The meeting closed with a social half-hour.

Dave Weddell speaks At Sharon Jr. Farmers

The May meeting of Sharon Junior Farmers was held in Sharon hall Thursday, May 4.

In the separate meetings Dave Weddell spoke to the boys' group on artificial insemination and Betty Pegg spoke to the girls' group on arts and crafts.

At the joint meeting reports were given by Vic Johnson, David Crone and Shirley Gartshore on their trip to the conference at Guelph.

Plans have started for the Junior Farmers' baseball team, captained by Bill Dike. Watch the bats swing now. Everyone enjoyed the "volunteer" singing, lunch and dancing.

ELMHURST BEACH

Misses Barbara Pritchard and Mary Lou Little, Newmarket, and Ruth Mary Winch, Keswick, spent the weekend with Doris Pollock at Avalon Cottage, Pine Beach.

The prizewinners at the dance at Riveredge were Pat Morrissey, electric clock; Elmer Sedore, silver tea service. Third prize, value \$3, was won by Charles Alleyne, Queensville.

Guest speaker at the next meeting of the Newmarket Lions club on Monday at St. Paul's parish hall will be Mr. Harling, traffic representative of Trans-Canada Airlines, who will present films on the airline.

Vandorf News

Special Mother's Day services were held in Wesley United church on Sunday morning. Sixteen mothers formed the choir with Mrs. G. E. Richardson as organist and Mrs. Herb Oliver, pianist. The junior Sabbath school children favored with a few sacred songs and choruses under the direction of Mrs. Grant Morley. The dramatized story was presented by Mrs. Gordon Mackey reading the story with Mrs. Will Kingston as the grandmother, Lois, Mrs. Clare Powell as mother, Eunice, and Robert Staley as Timothy. Other young people taking part were Bill Kingston, Ross Smith, Ken Hoshel and Edith Kay. Elizabeth Jane, daughter of Mr. and Mrs. Arthur Starr, was christened. Rev. E. C. Moddle conducted the service.

Several ladies of this community attended the Women's Association meeting at Aurora United church last Thursday when Mrs. Marshbank, Toronto, president of the women's division of the United Nations Council, was guest speaker. She said they wanted more women representation on the U.N. council and urged the ladies to take more interest in learning and planning for peace rather than war.

An enjoyable evening was held at Avalon hall when the Junior Farmers and Junior Homemakers held a special meeting and Mr. Herb Oliver and Mr. James Maw presented colored slides of the Purina Research Farm tour. Mr. Oliver told of how Mr. William H. Danforth, owner of the Purina Research Farms, had started his career when he was just a boy at school until the present time. A pleasant surprise was when Mr. Oliver presented the book, "I Dare You", to the members of the Junior Farmers. This book was specially written by Mr. William H. Danforth to tell the youth of today how they can accomplish high standards of living, in every walk of life if only they would be dared into whatever they want to accomplish. Every young man or woman should try to read this book. A few games and stunts and a lovely lunch brought the evening to a close.

Mr. and Mrs. Herbert Oliver, Mr. and Mrs. Fred Allin, Murray and Shirley had Sunday dinner with Mrs. Percy Allin, Aurora. Mrs. William Pattenden spent Sunday with her daughter, Mrs. Norman Steckley, and Mr. Steckley and family.

We wish to extend our sympathy to the family and relatives of Mrs. Billings, Aurora, who passed away suddenly on Sunday. Mr. and Mrs. Charlie Richards, Murray and Donald and Mrs. C. Moynihan, Agincourt, visited Mr. and Mrs. H. A. White and family on Sunday.

Mrs. John Spaulding, Agincourt, who is 91 years of age, and her two daughters and granddaughter, Mrs. Ed Tozer and Betty, Toronto, and Miss Dorothy Spaulding, Agincourt, called on some of their relatives and friends on Sunday, Richardsons, Whites and Dewsburies.

Mrs. R. Wicks, mother of Mrs. Harold Sleeth, arrived home on Sunday from her trip to England. She was accompanied by her nephew, Mr. H. A. Scott, who is making a tour of Canada and the U.S.A.

Hold Shower
The home of Mr. and Mrs. Wilfred Lundy was filled to capacity on Friday evening when a shower was given in honor of Miss Alma Ball and Mr. Carl Timbers. They received many beautiful and useful gifts. A splendid program consisted of Michael Murphy, Newmarket, with his usually good recitations, Miss Cora Morning, King, piano selections, and Mr. George Richardson and Mrs. Herb Oliver, duets. Mr. Lambert Willson acted as chairman. A lovely evening was brought to a close with lunch served by the ladies.

Mr. and Mrs. Clarence Gill, Port Credit, visited on Sunday Mr. and Mrs. H. A. Switzer. Mrs. S. Abbott and Mrs. Sloke visited their sister, Mrs. H. A. Switzer, on Friday afternoon.

Tells of Mission Work
Miss Mae Brooks of the Rural Life Mission spoke to the young people on Sunday evening in

MOUNT PISGAH NEWS

Triplets christened In family Tradition

There were 11 children christened at Mount Pisgah United church on Mother's Day. There was a special service and musical selections by 16 members of S.S. No. 7. Miss Dawna Case, accompanied by Mr. Illyd Harris, Aurora, sang a solo. The church was beautiful with flowers arranged by the W.A., also a basket of flowers dedicated to the late Mr. and Mrs. Keith and Mr. Wm. Botham by their respective families. The church was filled to capacity to witness the christening of Judith Anne McIntyre, daughter of Mr. and Mrs. Hugh McIntyre; Edwin John Barlow, son of Mr. and Mrs. Edwin Barlow; Nicholas Carl Ferri, son of Mr. and Mrs. Nicholas Ferri, Hamilton; Joanne

May Lloyd, daughter of Mr. and Mrs. Andy Lloyd, Oak Ridges; Janet Marie Mitchell, daughter of Mr. and Mrs. Wm. Mitchell, Oak Ridges; Alan Howard Botham, son of Mr. and Mrs. Harold Botham; Phillip Howard and George Calvin Montgomery, sons of Mr. and Mrs. George Montgomery, Toronto; and last but not least our famous triplets, Bonnie Frances, Brenda Louise and Barbara Elsie, daughters of Mr. and Mrs. Lloyd Harvey.

The water used for the christening ceremony in honor of the triplets was drawn from a stone well on the Harry Smith farm. This farm was purchased in 1847 by the great, great-grandfather of the three little girls and was serving the home purposes at that time. It is still in good repair and is still the main source of supply for the needs of the farm of the triplets' grandfather. The triplets' mother was christened with water from the same well.

On Tuesday of this week, Misses Jean and Elizabeth Chambers celebrated their birthdays by having a few of their friends in to a birthday party.

Mr. and Mrs. Roy Woods and Michael, Barrie, were Sunday visitors of Mr. and Mrs. Harry Smith.

Mr. and Mrs. S. Snively returned home, arriving Saturday evening at Malton airport after a three months' tour of the European countries. They went over by boat but returned by air. While in Scotland they visited a sister and other relatives of Scotty Wells. They report a very good trip but are pleased to be home again.

Mr. and Mrs. Roy Murphy and Doug, New Toronto, spent the weekend with Mr. and Mrs. R. Elias and family.

Sunday visitors of Mrs. R. Wilton were Mr. and Mrs. Leo Nidderer and Mr. and Mrs. Wilbur Graham.

Rev. and Mrs. Barley and family moved to Victoria Square last week.

Mr. and Mrs. M. Wells were hosts to a group of friends Saturday evening in honor of Mr. Wells' birthday.

Sunday visitors of Miss Virgin-

ELMHURST BEACH

The W.A. of St. Paul's, Jersey, met at the church on Thursday, May 11, for a special service when Rev. M. C. D. Hutt officially installed the members. After the service, Mrs. C. E. Foulston served tea to the ladies at her home on Miami Beach. The next meeting will be held Thursday, May 25, when the ladies will meet to clean up the parish hall after the miniature flood we have had in there. If the hall still isn't dry at that time the meeting will be at the home of Mrs. John Gamble, Miami Beach.

Sunday, May 14, was Holy Communion at St. Paul's and was Rev. Hutt's first time to take communion service since he was ordained in St. Michael's and All Angels church in Toronto a few weeks ago.

Rev. Peeling of Sharon and Holland Landing churches will be guest at St. Paul's Sunday, May 21, for the evening service at 7 p.m.

Mrs. Harry Pettinger opened her home Tuesday, May 9, for the W.A. euchre. Quite a number from here attended the L.O.B.A. birthday dance at Riveredge Friday, May 12. Miss Patsy Morrissey won the electric mantle clock and the silver tea service was won by Elmer Sedore. A tray was won by one of our neighbors in Queensville.

Mr. Frank Borden and son, Milton, were Sunday guests of Mr. and Mrs. Wesley Hayes.

Mr. and Mrs. Lloyd Bentley were weekend guests of Mr. and Mrs. Jack Bentley.

Miss Ruth Mary Winch was a guest of Miss Doris Pollock last weekend.

Miss Marion Lockie had Sunday dinner with Mr. and Mrs. Bruce Lockie.

Miss Daisy Wilkins has been staying with Mrs. Fred Lockerbie for a few days while she is preparing her tea room for opening soon.

Sorry to report Bill Foster has been on the sick list lately.

PLEASANTVILLE

The Bogartown Community club is planning a social for May 24 at the school. Ladies provide cake and each family bring some fire crackers.

A splendid congregation was present at Pine Orchard church Sunday evening when Mrs. Moddle gave a most inspiring message. We also enjoyed the message in song by the three Henderson sisters of Gormley. Folk were present from Oshawa, Grimsby, Gormley, Aurora and Newmarket.

Miss Dorothy Ratcliffe spent the weekend at her home in Toronto.

Mrs. R. Stevens, Newmarket, is spending a few days with her niece, Mrs. E. Hawtin.

Mr. and Mrs. Reg McIntosh and children of Queensville were Sunday guests at the home of Mr. Elmer Morton.

Mr. and Mrs. Chas. Greenwood, Mr. and Mrs. Carl Greenwood and Charles visited at the home of Mr. Dee Calum at Steyner on Sunday.

Mr. and Mrs. R. Jewitt and Glenna, Kettleby, also Mrs. G. McClure were Sunday night tea guests at the home of Mr. H. McClure, Cedar Valley.

For the Mother's Day weekend Mr. and Mrs. Allan Forbes and Donna, Oshawa, were guests of Mrs. Chas. Toole.

Mr. and Mrs. L. Clarke and Mr. and Mrs. Fullerton, Toronto, spent Mother's Day at the home of Mr. George Smith, it also being Mrs. Fullerton's, Mr. Smith's mother, birthday anniversary.

SHARON

Rev. M. C. D. Hutt will celebrate Holy Communion in St. James' church, Sunday, May 21, at 9.30 in the morning.

la Wallace were her mother and sister from Toronto. Mr. and Mrs. Alex Sharpe and David, Guelph, and Mr. and Mrs. George Boynton and family were supper guests of the Gambles on Sunday in honor of Jack's birthday. Sunday was a gala day for a lot of families in the community.

Mrs. Harold Botham had all her family for Sunday dinner. Mrs. R. C. Baycroft had her family and Mr. Edwin Barlow had all her family, to mention a few. The Vandorf Junior Farmers are sponsoring a modern and old time dance at Vandorf hall on Friday, May 26. Leo Paxton's orchestra will be in attendance.

**\$100 takes you
100 miles (ACTUAL TEST)
in the NEW 1950 MORRIS CARS**

THE MORRIS MINOR

ACTUAL TESTS

Actual tests made by Morris women showed from 40 to 50 miles per gallon of gasoline.

EASY PARKING

The salesman's dream car because the MORRIS fits into the smallest parking space, saving time and sparing tempers.

LOW PRICE

Since starting deliveries MORRIS prices "won't be beat" for top motoring value.

THE BIGGEST LITTLE CAR ON THE ROAD IN 1950

Men over six feet tall are amazed at the roominess inside the 1950 Morris cars. You'll enjoy big car comfort because MORRIS designers have allowed plenty of leg and head room, try a MORRIS on the road and see for yourself. MORRIS means sturdiness and safety plus—due to the all-steel Mono-construction body and hydraulic brakes on all four wheels...smooth driving on rough roads thanks to independent front wheel springing... "cradle ride" thanks to inter-axle sealing.

See the new MORRIS MINOR convertible and sedan in a wide range of colors. Service on parts from Coast to Coast.

SPRING GARDENS

GOLDEN GLOW
says
I just can't write about any-
thing this week but gardens, and
early spring flowers, for what a
difference there has been in the
past week! The soft maples are
covered with fluffy pale green
tassels and are already casting a
shade. Soon the oriole will be
calling from the top of the one
in my neighbor's garden and we
will know spring is really here.
Two or three warm days have
done wonders for our flower bor-
ders. My sweet-smelling violets,
the English violets, have made
the air fragrant with their deli-
cate perfume for weeks. They are
just about the earliest of all per-
ennials. Then come the pul-
monarian with its dainty pink
and mauve flowers. I have a bor-
der of them all along the east
side of the house and they are
covered with bloom. Later on
their leaves will cover the flower
bed and stay a glossy green,
spotted with white, all summer.

Of course the spring bulbs are
in flower everywhere and you
recall last year's delight in Mr.
and Mrs. Kidd's garden and you
hope for a "repeat." You recall
Mr. Aubrey Davis' daffodil bed
and all the other lovely gardens
including Mr. Jack Wright's
tulips to be followed by wonder-
ful iris and later his madonna
lilies.

But now—this past week and
more—at the corner of Botsford
and Church Sts. Mr. W. J. Pat-
erson's hyacinths have been
one of the delights you should
see. In spite of the cold, raw
weather, those multi-colored hy-
acinths have stood up so bravely
to all the kinds of weather nature
has treated us to! Everywhere
you go, you see spring bulbs in
flower. Mr. and Mrs. Lind's
garden at the corner of Park Ave.
and Church St. is a mass of
bloom and the other day going
along Eagle St. past Eugene Mc-
Caffrey's home, there were over
two dozen daffodils along the
front, all out in full bloom.

Folks everywhere have some
flowers already in bloom. Mr.
and Mrs. Charles Stickwood on
Victoria Ave. have a pussy wil-
low tree at the corner of their
front verandah and the higher
branches where the school chil-
dren could not reach are now
covered with the catkins all
fuzzy and yellow. If I were
better walker I could tell you
plenty about other gardens far-
ther afield—but passing so quick-
ly in a car you can get only a
glimpse. You really need to
walk to appreciate the beauty of
a garden. I was so sorry to see
that several trees have come
down at the home on Eagle St.
of the late Mrs. Baque. No
doubt they needed to be removed,
but how sorry you are at the loss
of every tree that has to come
down! Those grand old fir trees
there, for instance, that I have
loved since I can remember any-
thing, and those magnificent ones
down at the home just east of
the Presbyterian church. Well—
as "time marches on" I suppose
we must expect such things.

Then last week, when the
pond had to be drained to allow
work of the hydro to be done,
we realized how we love our little
Fairy Lake. It was so brimful
for a while and the water pouring
in a torrent over the dam just
like old times, and rushing under
the bridge at Timothy St. and
along through what we used to
call "the flats."

Oh, before I forget, I want to
thank the many kind friends who
either stopped me on the street,
called up on the phone or wrote
me about my article the other
week on how the town bell was
made to ring like a Tocsin for
a fire, and explained it to me.
That reminds me of the terri-
ble fire we had Thursday night
or early Friday morning when

PICKERING COLLEGE NEWS

Track win, air pix
Make busy weekend

In spite of the approach of
examinations, this week the stu-
dents of Pickering College had
one of their most active week-
ends for some time. Starting off
on Friday afternoon with a stu-
dent pilot doing aerial photo-
graphy over the school, and
winding up on Sunday evening
with an address by the Provost
of Trinity College, University of
Toronto, students of all ages and
grades found themselves with a
variety of activities.

Photograph College by Air
David Frosst, 18, took off in a
small, twin-seat aircraft from
Levens field, in Toronto, on Fri-
day, accompanied by another
student, Douglas Phippen, who
was to take the pictures. The
boys flew north to Newmarket,
and circled the college several
times, while young Phippen took
the photos. After a flight of
over an hour's duration, the
boys returned to the field. The
lads will cover their costs from
the sale of the pictures to stu-
dents, and then will present the
picture to the school for use in
the yearbook.

Tells of Art Courses
On Friday evening, a small
group of senior and intermediate
boys met in Mr. Lanier's apart-
ment to join in a discussion with
the Newmarket painter, Fred
Hagan. Mr. Hagan outlined sev-
eral of the courses presented at
the Ontario College of Art. Later
in the evening, the discus-
sion turned to more general
topics, as the students asked Mr.
Hagan about his work at the col-
lege, and about several Pickering
old boys who are studying there.

Track Meet
Saturday afternoon, St. An-
drew's College came to Pickering
for the second annual dual track
meet. For two and a half hours
the senior and intermediate
teams competed in 18 track and

field events. St. Andrew's held
the lead throughout the after-
noon, but in the final event, the
senior relay, Pickering moved
ahead, winning by one point.
The final scores were 99½ - 98½.
The St. Andrew's - Pickering
Dual Track Meet was an annual
affair before the war, and start-
ed again last year.

Conservation Films
Saturday night, an officer of
the Department of Lands and
Forests visited the school, bring-
ing with him the film, "Tema-
gami Ranger." After a short
talk on the importance of con-
servation of our natural re-
sources, this excellent govern-
ment film was shown to the
students. The Hollywood classic,
"San Francisco," made some
years ago, formed the latter part
of the program.

Violin Concert
After the noon meal on Sun-
day, Miss Summerville, the tal-
ented Toronto violinist, gave a
short concert for the boys. With
a sensitive and polished tech-
nique, she played La Folia, and
a Nocturne.

Hear Trinity Provost
In the evening, the Rev. Seely,
Provost of Trinity College, Uni-
versity of Toronto, addressed the
student body in chapel. Speak-
ing on the importance of work-
ing with what one has at hand,
rather than dreaming of what
could be done if there were
ideal conditions, the Provost
made a strong impression on the
boys, and gave them something
to think about as they went to
their studies.

Weekends of this sort, which
are crammed with activities of
all natures, not only give the
boys an opportunity to work on
projects of their own, like the
aerial photographs, but also
bring them in touch with people
and ideas beyond the college

SPRING GARDENS

GOLDEN GLOW
says
I just can't write about any-
thing this week but gardens, and
early spring flowers, for what a
difference there has been in the
past week! The soft maples are
covered with fluffy pale green
tassels and are already casting a
shade. Soon the oriole will be
calling from the top of the one
in my neighbor's garden and we
will know spring is really here.
Two or three warm days have
done wonders for our flower bor-
ders. My sweet-smelling violets,
the English violets, have made
the air fragrant with their deli-
cate perfume for weeks. They are
just about the earliest of all per-
ennials. Then come the pul-
monarian with its dainty pink
and mauve flowers. I have a bor-
der of them all along the east
side of the house and they are
covered with bloom. Later on
their leaves will cover the flower
bed and stay a glossy green,
spotted with white, all summer.

Of course the spring bulbs are
in flower everywhere and you
recall last year's delight in Mr.
and Mrs. Kidd's garden and you
hope for a "repeat." You recall
Mr. Aubrey Davis' daffodil bed
and all the other lovely gardens
including Mr. Jack Wright's
tulips to be followed by wonder-
ful iris and later his madonna
lilies.

But now—this past week and
more—at the corner of Botsford
and Church Sts. Mr. W. J. Pat-
erson's hyacinths have been
one of the delights you should
see. In spite of the cold, raw
weather, those multi-colored hy-
acinths have stood up so bravely
to all the kinds of weather nature
has treated us to! Everywhere
you go, you see spring bulbs in
flower. Mr. and Mrs. Lind's
garden at the corner of Park Ave.
and Church St. is a mass of
bloom and the other day going
along Eagle St. past Eugene Mc-
Caffrey's home, there were over
two dozen daffodils along the
front, all out in full bloom.

Folks everywhere have some
flowers already in bloom. Mr.
and Mrs. Charles Stickwood on
Victoria Ave. have a pussy wil-
low tree at the corner of their
front verandah and the higher
branches where the school chil-
dren could not reach are now
covered with the catkins all
fuzzy and yellow. If I were
better walker I could tell you
plenty about other gardens far-
ther afield—but passing so quick-
ly in a car you can get only a
glimpse. You really need to
walk to appreciate the beauty of
a garden. I was so sorry to see
that several trees have come
down at the home on Eagle St.
of the late Mrs. Baque. No
doubt they needed to be removed,
but how sorry you are at the loss
of every tree that has to come
down! Those grand old fir trees
there, for instance, that I have
loved since I can remember any-
thing, and those magnificent ones
down at the home just east of
the Presbyterian church. Well—
as "time marches on" I suppose
we must expect such things.

Then last week, when the
pond had to be drained to allow
work of the hydro to be done,
we realized how we love our little
Fairy Lake. It was so brimful
for a while and the water pouring
in a torrent over the dam just
like old times, and rushing under
the bridge at Timothy St. and
along through what we used to
call "the flats."

Oh, before I forget, I want to
thank the many kind friends who
either stopped me on the street,
called up on the phone or wrote
me about my article the other
week on how the town bell was
made to ring like a Tocsin for
a fire, and explained it to me.
That reminds me of the terri-
ble fire we had Thursday night
or early Friday morning when

PICKERING COLLEGE NEWS

Track win, air pix
Make busy weekend

In spite of the approach of
examinations, this week the stu-
dents of Pickering College had
one of their most active week-
ends for some time. Starting off
on Friday afternoon with a stu-
dent pilot doing aerial photo-
graphy over the school, and
winding up on Sunday evening
with an address by the Provost
of Trinity College, University of
Toronto, students of all ages and
grades found themselves with a
variety of activities.

Photograph College by Air
David Frosst, 18, took off in a
small, twin-seat aircraft from
Levens field, in Toronto, on Fri-
day, accompanied by another
student, Douglas Phippen, who
was to take the pictures. The
boys flew north to Newmarket,
and circled the college several
times, while young Phippen took
the photos. After a flight of
over an hour's duration, the
boys returned to the field. The
lads will cover their costs from
the sale of the pictures to stu-
dents, and then will present the
picture to the school for use in
the yearbook.

Tells of Art Courses
On Friday evening, a small
group of senior and intermediate
boys met in Mr. Lanier's apart-
ment to join in a discussion with
the Newmarket painter, Fred
Hagan. Mr. Hagan outlined sev-
eral of the courses presented at
the Ontario College of Art. Later
in the evening, the discus-
sion turned to more general
topics, as the students asked Mr.
Hagan about his work at the col-
lege, and about several Pickering
old boys who are studying there.

Track Meet
Saturday afternoon, St. An-
drew's College came to Pickering
for the second annual dual track
meet. For two and a half hours
the senior and intermediate
teams competed in 18 track and

field events. St. Andrew's held
the lead throughout the after-
noon, but in the final event, the
senior relay, Pickering moved
ahead, winning by one point.
The final scores were 99½ - 98½.
The St. Andrew's - Pickering
Dual Track Meet was an annual
affair before the war, and start-
ed again last year.

Conservation Films
Saturday night, an officer of
the Department of Lands and
Forests visited the school, bring-
ing with him the film, "Tema-
gami Ranger." After a short
talk on the importance of con-
servation of our natural re-
sources, this excellent govern-
ment film was shown to the
students. The Hollywood classic,
"San Francisco," made some
years ago, formed the latter part
of the program.

Violin Concert
After the noon meal on Sun-
day, Miss Summerville, the tal-
ented Toronto violinist, gave a
short concert for the boys. With
a sensitive and polished tech-
nique, she played La Folia, and
a Nocturne.

Hear Trinity Provost
In the evening, the Rev. Seely,
Provost of Trinity College, Uni-
versity of Toronto, addressed the
student body in chapel. Speak-
ing on the importance of work-
ing with what one has at hand,
rather than dreaming of what
could be done if there were
ideal conditions, the Provost
made a strong impression on the
boys, and gave them something
to think about as they went to
their studies.

Weekends of this sort, which
are crammed with activities of
all natures, not only give the
boys an opportunity to work on
projects of their own, like the
aerial photographs, but also
bring them in touch with people
and ideas beyond the college

T. A. M. HULSE,

Pages from the Editor's Notebook

The publishers of weekly newspapers in Grey, Simcoe, Dufferin, Muskoka and York counties met at Camp Borden on Friday to organize a Central Ontario Weekly Press Association. All of the attending publishers were members of the Canadian Weekly Newspaper Association, the national organization, and members of the Ontario-Quebec division of it. The Central Ontario Association is simply another step closer to home and a means, it was hoped, by which to deal with problems which were neither national nor provincial in scope.

We suppose too that most of us present were moved by a desire to talk shop with our fellow publishers. The weekly editor is a great talker of shop among his own kind. With many of the home towns supporting only one weekly newspaper and the nearest professional neighbor 15 or 20 miles away, the editor is somewhat isolated and occasions for get-togethers rare. So when he has the opportunity to meet with his fellows, it is welcome.

The commanding officer and his staff at the camp were most gracious hosts and extended to us every facility. We were taken on a tour of the camp after our business was done, and royally entertained at both the army and air force messes. The commanding officer told us his policy was one of closest co-operation with the civilian population and he truly exerted every effort towards that objective. To one with a memory of the hard-shelled military who considered civilians something one step removed from humans, this was most refreshing.

Camp Borden itself wore a melancholy air of unrealized hopes. The men we met were young and eager and gave the impression of efficiency and spirit. The physical appearance of the camp belied this. It seemed terribly run-down. We suppose defense budgets are so closely trimmed that there is very little left over for paint and cement. It is a pity that this fine factory for turning out highly trained troops

appears to have so little maintenance funds allotted it.

We were surprised too that so little equipment was in evidence. Camp Borden is the training ground for armored troops but tanks and guns were little seen. Perhaps they were scattered elsewhere in the camp and we missed them but for a military centre, there was surprisingly little indication of military wherewithal. We suppose Camp Borden's value is in its potential as a training centre. Apparently everything is there in readiness to throw this centre into high speed production of trained troops. There are instructors, workshops, training aids — everything but the students.

One wonders about recruiting, military expenditure, and the frustration which the permanent men at Camp Borden feel when they look over this vast plant which is so little used. Have we really a policy of preparedness?

We hope to publish shortly a monthly letter from the editor of the Newmarket Journal, Suffolk, England. We wrote Mr. R. F. Jeffery suggesting the exchange. He replied last week quite enthusiastically.

We thought our readers would enjoy such a letter from their respective namesakes. Newmarket, England, is a horse-racing and breeding centre of note and the Journal, also a weekly, carries many advertisements of auction sales, breeders, and the stables which are quartered there. We are sending off our contribution this week, telling about the county centennial celebrations.

The non-appearance of this column last week was the fault of our gall-bladder. Apparently jealous of the attention given other organs, notably the pancreas in the recent diabetic survey, the gall bladder exerted every effort to draw attention to its existence. It is now being pampered with diet and photographs. If it doesn't behave itself, it will be removed. There is a limit to this sort of thing.

From the Files of 25 and 50 Years Ago

MAY 15, 1925

Among the students to graduate on May 1 at the University of Toronto from the School of Applied Science was A. Douglas Morton, who is a grandson of Mrs. Neil Morton, Newmarket, and son of Mr. and Mrs. Howard Morton, formerly of Belhaven.

A bowling club has been formed at Schomberg. There are 25 members and officers are: pres., Dr. Kay; vice-pres., H. H. Coffey; sec.-treas., Dr. Collard.

Miss Doris Gamble, Miss Ross and Miss Newman, Haverhill College, Toronto, spent the weekend with Miss Gamble's grandmother, Mrs. O. J. Wilson.

On Friday evening the Newmarket Tennis club held a party at the home of Mr. and Mrs. Harry Doyle. Forty members and friends were present. The evening was spent in euchre, five hundred, and bridge followed by dancing. Misses Moss Stoddard, Marjorie Lloyd and Mrs. G. Binns played the piano for dancing. Miss Florence Staunton entertained with several novelty dances.

The graduation exercises at the Deaconess training school, Toronto, took place last night. Miss Aleta Brodie and Miss Queenie Mollenhauer, Newmarket, are to receive their certificates.

The annual meeting for the election of officers for the Willing Workers, Pine Orchard, took place at the home of Mrs. Ralph Willis last Wednesday. Officers are: pres., Mrs. Ralph Willis; vice-pres., Mrs. Chas. Toole; sec.-treas., Mrs. Gordon McClure.

MAY 18, 1900

Rev. M. Colman has passed his examinations at McMaster Hall and is now in town on holidays. He passed all his subjects and obtained second class honors.

Aurora was without electric lights four nights this week because of extensive repairs being made in the plant.

At the regular quarterly board meeting of the Methodist church last week, Mr. E. Jackson was elected representative to the district meeting which takes place at Tottenham next week.

Mr. J. E. Hollingshead spent a few days with his old principal, J. E. Dickson, at Orillia.

The boys were running around town barefoot on Monday, the first time this season.

Mrs. Phelps, Brantford, and her brother, Mr. Disette, Indianapolis, called on Mrs. B. Cody on the way to visit friends in Bradford. Mrs. Phelps was a former teacher at Sharon.

The interior of the Queensville Presbyterian church is undergoing repairs.

During the past winter and spring 57 persons have moved away from Mount Albert and vicinity.

The cricket club at Bradford has been reorganized. Officers elected are hon. pres., Col. Tyrwhitt; pres., E. Garrett; vice-pres., C. Elliott; sec.-treas., W. J. Stewart.

The brick wall at the rear of Mr. David Millard's residence has been removed and the bank is being graded.

The Editorials:

Manitoba floods

The inexorable flow of the muddy waters of the Red and Assiniboine Rivers has been watched with the sympathetic interest of every Canadian. The flood has submerged whole towns in southern Manitoba and now laps dismally at the eaves of street after street of post-war homes in the suburbs of Winnipeg. Over 6,000 homes have been flooded. What hopes of the young have been drowned beneath the muddy surface. What security for aged has been washed away by the relentless current.

We read of families fleeing the flood after weeks of effort at the dykes which could not save them. We are told of this couple in the sunset of their years whose life savings were washed away, of that family whose home, burdened by mortgage, has been destroyed but whose debt remains. But the home, after all, is only the physical structure. Manitoba's flood victims have lost everything except the clothes they wear. Gone are the furnishings of their homes, their clothes and bedding, the sentimental possessions symbolical of family unity. Gone is the stock of the farmers, shot in their extremity. Gone is their feed, their barns. Who knows but whether their land too has been scoured by flood or made useless by silt.

This is not a disaster which comes by night and is gone by day, its victims numbed by its suddenness. This has been the slow wasting of human effort, the destruction of hope by the inch after awful inch of the rivers' slow rise. It is to their eternal credit that these people have not given up. They have fought the river with shovel and sandbag, with dragline and 'dozer. Under unfriendly skies by day, in the white light of searchlights by night, they have dug and shored, slipping and stumbling over their muddy dykes, drugged by fatigue, oblivious to all else but turning back the river.

They ask now our help. They ask for the tools with which to carry on their fight, rubber boots, work socks, gloves, flashlights, batteries. The Red Cross has answered this appeal. A shipment went from Newmarket early this week. They ask too financial help so that some part of the debt will be lifted, some measure of the security preserved, some of the hope restored. In Newmarket and district, canvassers will be calling, your neighbors who have volunteered to assist. Welcome them. Give what you can. Let us show these valiant people by our contributions, large or small, our respect for their indomitable spirit, our sympathy for their loss.

Provincial leadership needed

The municipal board has checked for the time Toronto's haste to absorb its suburbs by its ruling that the city's application for amalgamation is improper. In the breathing space thus provided, it is to be hoped the city and province will reconsider the inadequacies of amalgamation as the solution to Toronto's problem.

Toronto's immediate difficulty is raising enough taxes upon its present assessment to maintain its services. The cost of its services is increasing while the means by which it pays for these services are dwindling. "The view is advanced that the bulk of residential realty (in Toronto) may be regarded as a declining asset," says a Toronto Civic Advisory Committee report. Amalgamation would greatly increase the city's tax revenue but there is no guarantee that in time, the new areas would also become "declining assets" and the current difficulty renewed.

But even if temporary relief were a worthwhile objective, the cost in the disadvantages of a centralized administration extending over such disparate areas as Scarborough and North York, Eglinton and Leaside, would hardly make the venture worthwhile. At the same time, such a short-term solution would come only at heavy cost to the residents in the suburbs whose taxes would climb sharply, and to the residents of the rest of York county whose county taxes for necessities alone would be doubled. It is a heavy price to pay for what amounts to the postponement of a situation which sooner or later must be met by methods other than increasing sources of realty taxation.

Something more is required from the province than ultimatums to "amalgamate or else by 1951". Re-adjustment of provincial grants to the city would help ease the burden. A thorough study of alternatives to realty taxation would also help. It is obvious that Toronto's problem, arising from its size, is not going to be solved by adding to its size. A way must be found to make its present size compatible with demands upon it for municipal services, and the ability of its citizens to pay for those services. Taxation from sources other than property is indicated. The province would be better occupied in giving some leadership in

this direction instead of muttering dark threats in an effort to force amalgamation.

As for the second argument in favor of amalgamation, that it would end the confusion of overlapping and conflicting administrations, the answer is easily provided in the establishment of a county metropolitan scheme. Then the city could join in inter-municipal commissions which could bring about harmonious development without destroying the independent municipal administrations of the suburbs.

Practical community business

"We are frequently assured of the importance of our pay-rolls to the economy of Newmarket, but it gives one a pause to walk down Main St. and see our competitors' brands sold exclusively in local stores." The comment was made by a Newmarket manufacturer and his bitterness is easily understood. Newmarket industrialists are generally told they are fine fellows, a sentiment never warmer than when they are approached for donations to this or that community project, but it appears to be mere lip service before such incidents as that noted above.

The sales of a Newmarket retail outlet may not appear to be important in marketing the products of Newmarket's industries, but they would contribute to those companies' volume at a time when they are returning to the strongly competitive conditions which existed before the war. And such sales would reciprocate the frequently raised plea of "keep Newmarket money in Newmarket".

The factories' pay-roll is a major contribution to the retail sales in Newmarket of \$3 million annually. It's practical community business to assist in maintaining that volume by marketing those factories' products.

More money, less work

Demands for higher wages or pensions are frequently supported by the argument that they are paid in the United States so why shouldn't they be paid in Canada? How valid is such an argument? Here's a simple calculation:

Thirteen and half million Canadians last year produced goods and services to the value of \$16.1 billions, a per capita production of \$1,192. One hundred and 50 million Americans produced goods and services to the value of \$257.1 billions, a per capita production of \$1,717. The comparison is a broad one and must allow for various factors, but generally speaking, the comparison stands. Canadians produced 69 cents worth of goods and services for every dollar's worth produced by the U.S.A.

When the conciliation boards considered the railwaymen's demand for increased wages and shorter hours, supported by the argument that these standards applied in the United States, Mr. Justice Wilson's board rejected the argument with the assertion that the United States had "a richer and more mature economy than Canada". The above comparisons show just what the board meant.

"When the per capita wealth and productivity of Canada rises to the level attained in the U.S., relations will doubtless receive their due share of the national income," says the Wilson report. "Until that occurs they must, like the rest of us, accept their due share of the present national income."

All of us would like a little more pay and a little less work. It is frequently forgotten that someone must pay the difference. Whether we like it or not, our incomes are hitched to the national income and large scale demands from one section of the working population only mean that some other section suffers — someone has to pay. The answer to demands for higher wages is greater production.

Shorter business hours

Shortening of business hours by an early Saturday closing or by closing all day Monday instead of a half-day Wednesday is frequently suggested along Main St. The proposal has a superficial attraction. Apart from giving businessmen more time for the links and their gardens, it helps them meet the provisions of the working hours legislation as applied to their staffs. Many Main St. businesses are not large enough to employ the extra staff to stay open more than 44 hours a week. And it does seem rather silly at times to be open for business when there is not a customer in sight as is the case in early morning.

But all these considerations must be subordinated to the need for Main St. businessmen to give service to their customers, and an essential part of that service is being open for business when the customer wants to do business. Early Saturday closing is pleasant to contemplate but if the customer wants to do business after supper, then the stores must stay open.

Office Cat reports

Catnips By Ginger

Your favorite cat reporter went on strike last week. True, millions of omnivorous readers threw fits and swooned on the absence of their cherished writings. But they just had to wait until the demands of this bargaining committee consisting of the gallant representation of Ginger, were realized.

"We will fight on the beaches, we will never surrender."

The editorial department which was short-handed, short-sailed and reunged last week omitted this worthy column on the first press run. There were no grounds for excuses. As a result the people of Chagoriania were to be furnished in an insignificant page heads some garbage as best in a story by a cynically associating itself with the sport set.

Could this happen? Reasonable. The paradoxical juxtaposition would result in mass enlightenment in our leadership and the reader complexions would spring forth and no doubt give our circulation.

Hence there was nothing left for me to do but snatch my long-heard keyboard from this very machine at the blue point clerical. I discarded from the office clutching my copy and offered it up to the gods as a sacrifice in the back yard incinerator.

Much better to do it that way than to let fallow words be disgraced by association with the less cultured media of thought. One can do that sort of thing when the boss is away sick. The cats will play.

The next day my bargaining committee went into conference with the company men. We conferred on the beaches, we conferred on the battlegrounds, on the outposts of Empire. Without food or water we bargained all day and this bargain-

ing committee gave not an inch nor even six inches. We agreed to go back to work for the company but on conditions. We won our case against the blue pencil demons and the page made-up artists. We would resume our status and place in the top right-hand corner of the intellectuals' page and, with emphasis, above The Top Six Inches.

Without a column last week, we had some free time on the weekend. In defiance of that back-page sports editor, we went fishing and bird watching, which included some hours of sleeping time in the sun.

The all-muscle and brawn and no-brain types, especially the above mentioned, have been on a Ginger conversion plan, incidentally. At the time of writing, a final, none other than that of the sports editor appeared in the doorway with the usual wide-eyed abnormal expression on it.

"What you need is some more exercise, my friend," he said. "Look at that spare tire you are getting!"

"That is my safeguard," said I, "against any possible association with the mundanes," giving him a backward glance.

"My organization has a good set up for you—something in your category," the sports editor said.

"What's that?"

"You will play one hour a day of tiddley winks, hangman from a parallel bar or you'll lose in an overrated gymnasium."

Our sports editor is a comedian and a story teller. His chief interests are in sports. I am having a suitable marble head stone engraved for him now. May he rest in peace.

by "Back Concession"

The Top Six Inches

The announcement of the reduction in the price of butter and the explanation by Mr. Gardiner that even at the reduced price, farmers were receiving more than world prices, prompts this question: did Mr. Howe, minister of trade and commerce, tell the shirt industry that its price on shirts was \$3 to \$4 higher than world prices?

Was the Canadian car industry informed that the world price on motor cars was \$400 to \$500 less than the Canadian public had to pay? Does Canadian labor know it is being paid more than world labor? Almost any explanation from our minister of agriculture would have been better than the one he gave.

From reports coming from Ottawa, the farmers are expected to submit to all grading regulations. By grading, the Canadian farm produce has become the best in the world. We are expected to reduce our production costs and compete with lower world prices. The cold war on prices, consumer vs. farmer, is not right. The farmer is beat before he starts. The government, backed up by public opinion, put on ceiling prices on farm produce during the last war. The same combination is working on the butter and now comes a report that the embargo on U.S.A. pork products is to be lifted.

We farmers will not in the near future be able to supply the domestic market with pork and eggs. This will give the controlling groups a real point to work on. It would seem that the farmer will be forced into a low cost production. We will have to breed our cows to fatten in the spring. We can supply cheap butter from grass. We can dry our cows for the winter months — a straw and some hay will winter our stock. We can get away from \$80 per ton dairy ration. One cow to fatten in the fall will supply each farmer with milk and butter for the winter.

There is better than a 50-50

chance that we will have to compete with the best fat corn fed pork of the States. Green your pigs to fatten in March. The soon as the pigs are weaned put your pigs over the scales. Turn your pigs out on pasture feed by a self feeder. By the self feeder, we can put pigs in market in less than an hour. We will produce a fat side of bacon and it will be done at profit to the farmer and at the consumer cheaper price.

The government and swine breeders have been 10 years breeding a Canadian farmer to feed the lean bacon hog. They have been hundreds of millions and thousands of pamphlets sent out. Let our price of pork come down to meet the price of pork from the States and all this work and quality will be gone in a very short time.

Our pork price a few months ago dropped to \$24 per cwt. while oats and barley went to \$10 a ton. Corn was the cheapest feed the farmer could buy. The farmer stopped feeding hog concentrates and fed more corn. The outcome was three percent less grade A hogs in a few months. The packer and retail butchers complained that there is too much fat to trim off before the trade will buy the pork. In the Ontario bacon shows this year the third and fourth grades were the largest showing.

In our local bacon shows last year, all our grades were in first and second grades. This year the majority of sides were in third and fourth grades. This stock was bacon type and will restricted and proper feeding would have made grade A bacon.

The farmer will go into a low cost system of producing a short fat hog and there will not be one meeting held or pamphlet sent out. The high price of western grain is bad enough for the hog producer to contend with without having to compete with lower production costs of the States. Cheerio.

THE SHELL GAME

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

An Aurora Opinion

By
DOROTHY BARKER
Aurora Editor

Most suburban municipalities consider their main street the show window of the town. If the civic fathers are on their toes, the "main drag" receives first consideration when new and expensive structures are to be erected. When they are spending thousands of dollars of the taxpayers' "ante", they do not, as a rule, tuck the evidence away on a back street.

Future residents or ambassadors of prospective industries quite often view a town's main street for the first time from the front seat of an automobile. If the first impression is that of an attractive and prosperous community, they invariably return for further investigation.

There is an old saying, "first impressions are always lasting", a truism which should never leave the mind of anyone elected to civic office. Such a one will be called on many times during his term of office to vote on matters that affect the town, not just for the duration of his term, but for generations to come. Town halls, civic centres, high schools should be considered for their advertising value as well as for their necessity or utility. Therefore, they should be placed right in the most prominent part of the "showroom".

Fortunately for Aurora, there is only one more major decision to be made regarding Yonge St. property. That is the fate of the old town hall. No doubt it has been a headache to more than one elected council. The old red brick structure, occupying one of the most valuable pieces of property in the town, will demand in the not too distant day a wise and businesslike decision regarding its future use or demolition. The type of building that will or should be erected in its place needs to be given very thoughtful consideration.

A parrot in Australia has taught a canary to say "pretty boy."

MOUNT ALBERT Start Foundation

On Monday evening the foundation of the fire hall was started on the west side of the lot owned by the telephone company on Main St. and much is expected to be done by work bees.

Mr. Ken Case is preparing to build a home on North St. on the lot formerly belonging to the Lundy property.

The recent tag day for the Blind sponsored by the Women's Institute resulted in \$37 to send to headquarters. The C.G.I.T. girls were responsible for the collecting.

On Monday evening, May 29, the W.M.S. will have the privilege of having as its guest speaker, Miss Muriel Bamford, recently returned from India. They will meet in the church.

BROWNHILL

Mrs. Williamson has a fine supper. Mr. and Mrs. Ernie Sokol and three daughters visited at the home of Mr. and Mrs. Charles Mitchell last Sunday. We are glad to see Mrs. Sokol again. She was the former Ina Hillis. They have been living out west for a few years but are planning on staying in the eastern sphere now.

ARMITAGE

A baby shower was held at the home of Mrs. Bob Lewis for Mrs. Paul on Saturday afternoon.

Mr. and Mrs. Morley Cook spent Mother's Day at Mrs. Cook's mother's home at Pine Orchard.

THANKS

I wish to thank my customers for their past patronage and trust you will continue the same with my successor, Arthur Wagg and Sons.

'Situation hazardous' Seek new fire truck To serve Aurora

Adequate fire fighting equipment for the protection of the community was urged in the report of the finance committee presented by Reeve A. A. Cook at the meeting of the Aurora town council Monday night. In the report Reeve Cook pointed out that the immediate purchase of a new truck to replace the 23-year-old one now in use should receive the council's consideration. At present the situation was hazardous, he said.

"We have to face our responsibility to the public," he continued. "The old truck is liable to go any time and motor trouble has developed in the truck purchased in 1944. We can't delay in this matter and feel safe."

An estimate of \$12,000 to \$15,000 for the purchase of new equipment was given, and the suggestion made that this sum be raised either by loan or debentures. During the discussion which followed the presentation of the report, the opinion was expressed that should an emergency arise where Aurora fire department was called out to fight a fire in an adjoining town, local people would be without protection unless there was sufficient equipment to serve the community.

The report was approved by the council and the matter of purchase turned over to the finance committee to be dealt with. Councillor Davies, chairman of the by-law committee, presented two clauses to be added to the proposed new building by-law relative to the up-keep of parks and the placing of garages built on residential property. These were approved.

A verbal report regarding the planting of 41 maple trees in various sections of the town was given by Deputy-Reeve Harry Corner. All seemed to be thriving and had greatly improved the appearance of many of the streets where planting had been done to replace dead trees.

Deputy-Reeve Corner later brought forth a motion that a town beautification campaign be organized to encourage the improvement and up-keep of residential property. In elaborating on this proposal, he thought that a donation should be made to provide a prize of some sort to stimulate civic pride and suggested that each member of the council contribute a dollar to start the ball rolling.

The speed with which this suggestion was taken up resulted in \$11 being collected from those present. The Horticultural Society will be asked to help by publicizing the campaign and making a monthly survey of the home properties. Councillor Murray in speaking to the motion thought that special consideration should be given the man with a small holding for any effort he puts forth to beautify his place by his own labor.

At the opening of the session Lorne Cousins offered to turn over to the town a portion of his property on which a dam could be constructed, for an additional park site. This was left to the newly formed parks committee to be considered.

Councillor Glass drew the attention of the council to the condition of the fence around the park where the annual Horse Show and summer sports events are held. It was estimated that it would require about \$500 to do necessary repairs and install proper conveniences in the new stand. Permission was granted the Lions club to use the park for a May 24th celebration.

A donation of \$160 was voted to buy sweaters for the junior hockey team in recognition of its fine performance in having advanced to the finals of the O.H.A.

It was announced that a grader would be in operation this week to do all necessary work on town roads. Gravel and asphalt dust layer would later be spread.

Tenders for gravel were received from J. R. Buchanan, W. R. Cass and Ross Avis, the latter getting the contract. The tender of the Millers' Paving Company was accepted. The appointment of W. J. Mount as supervisor of street grading was approved.

The council got the green light to go ahead with the extension of George St. to Kennedy St. with the presentation of property deeds by town solicitor Lorne Lee.

MOUNT ALBERT NEWS

Come early, stay late Sports Day invitation

Mount Albert 26th annual Sports Day on Saturday, June 3, in the park will have many new attractions. In the afternoon, there will be baseball, tournaments of horseshoe pitching, school baseball for Case and Dike cup, clown band entertainers, pet show with good prizes, pony rides for children, decorated doll carriages and bicycles. Supper will be served by the Women's Institute and then a grand program by Surprise Variety Show with entertainment for two and a half hours, also dancing to a popular orchestra and lucky cash prizes with the day's tickets. You are asked to come early and stay late.

Mrs. W. Ross, Lansing, spent last week at the home of Mrs. J. Rennie.

The ladies of the W.M.S. went to Zephyr on Wednesday where they were entertained by Miss Edna Jaques who was a guest speaker at the Zephyr W.M.S. meeting at the United church. They came home highly delighted with their afternoon's treat and social time.

16th Bale Packed
The 16th box of clothing has been packed and sent on to Toronto to the church's packing headquarters from this community and still there is need for more.

Firemen Called
Friday morning, Mr. Geo. Shuttleworth's chicken house caught fire from the brooder stove and again the firemen were called and saved the situation with small loss to the owner.

Next Sunday the United church school will change to the morning at 10 o'clock and continue through the summer at this time.

Rev. D. L. Atkinson, Uxbridge, will be the guest speaker at the United church in the absence of Rev. Shapter.

This is Christian family week and the family service on Sunday morning filled the church auditorium and gallery. Superintendent Murray Stokes of the church school was assisted in taking the service by Rev. C. P. Shapter. All congregations took part. The Jr. Bible class was the choir and sang three numbers much appreciated. The dramatization of the story of Timothy was taken by Maria Broad who told the story, Jimmie Cupples as Timothy, Marion Sedore as Eunice, his mother, and Mrs. V. Wilson as Lois, his grandmother. This took the place of the sermon.

Firemen Busy
Mount Albert fire brigade had a busy time last week. On Monday afternoon Mr. Ralph Smith's large barn caught fire from, it is supposed, defective electric wiring and was almost all destroyed with contents of some stock, threshing machine, etc., at a great loss to Mr. Smith. The loss was only partially covered by insurance.

Then about 2 o'clock the next morning, a call was again sent in that a shed near the barn had caught fire but it was saved. However, the men stayed till all danger was past.

Mr. and Mrs. Gordon Wagg, Linda and Jim, Belleville, were weekend guests of Mr. and Mrs. Roy Stewart.

Mr. and Mrs. Grant Allen and Mr. and Mrs. Geo. Wilson and son of Toronto visited Mr. and Mrs. Robt. Wilson over Sunday.

Mrs. J. F. Burr was taken to York County hospital last week for observation and treatment.

Mr. C. A. French, Ottawa, is visiting relatives in town for a few weeks.

Ask Aid for Flooded
A call for help for the Red Cross for flashlights, work socks, long rubber boots and gloves, also gifts of money for Manitoba flood victims was made at the Sunday morning church service. Money may be left at Dominion Bank.

You are invited to come to a tulip tea at the home of Mrs. Roy Stewart next Tuesday afternoon from 3 to 5 o'clock. This is sponsored by the public library board and it asks for a good attendance to see the flowers, also help the library.

Mr. and Mrs. Webb and Bennie, Elmville, Mr. and Mrs. Eade and Beverly, Victoria Square, and Miss Belle Cook, Toronto, were weekend guests at the home of Mr. and Mrs. Sinclair.

Mr. and Mrs. Horace Brown are building a house on a lot on the west side of Centre St. just north of the bridge.

The United church Sunday-school gave \$15 of its Sunday morning collection to the Red Cross.

THE LIQUOR LICENSE ACT

Licensing District No. 6

TAKE NOTICE that MABEL GERTRUDE THWAITES and JENNIE SMITH, both of the Township of Georgina, in the County of York, married women, will make application at a special meeting of The Liquor License Board of Ontario to be held at the Canadian Legion Memorial hall, 22 College St., in the City of Toronto, in the County of York, on Tuesday, the 27th day of June, 1950, at the hour of 9.30 o'clock (P.M.) in the forenoon for the issuance of a dining-room license for the following premises:

"Cedar Cliff Manor," of R. R. #2, Sutton, Ontario, being a summer hotel located on the shore of Lake Simcoe, situate, lying and being in the TOWNSHIP OF GEORGINA, in the County of York, and being composed of part of Lot Number Six (6) in the Eight Concession of the said Township.

Any person resident in the licensing district may object to the application, and the grounds of objection in writing shall be filed with H. J. Browne, the acting deputy registrar of the licensing district, whose address is 480 University Avenue, Toronto, Ontario, at least ten days before the meeting at which the application is to be heard.

DATED at the Township of Georgina, this 15th day of May, 1950.

Mabel Gertrude Thwaites,
Jennie Smith,
R. R. #2, Sutton, Ontario.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Macpherson, Mrs. Noble Wright, special nurses and the staff of York County hospital for their kindness to neighbors, relations and friends who sent flowers, fruit cards and chocolates during my stay there.

In Memoriam

Cryderman—In loving memory of our dear sister, Mrs. Allan Cryderman, who passed away May 20, 1949.

If you should go along the trail a bit ahead of me, call back, 'twill help me keep the path, and look ahead to see the beauty of the mystery-land that awaited you from me. And if, perchance, my lantern-light should suddenly grow dim, the echo of your dear voice, I know will help me win. Should my heart grow tired and weary, acclimbing up the steep, call back, the tenderness will spur my lagging, tired feet. And when the sun is sinking, if I but see your smile, I know for sure that I shall make the long, last, lonely mile.

Sadly missed by Mrs. Roy Fountain and Mrs. Norman Sedore.

Cryderman—In loving memory of a dear mother, Almida Cryderman, who passed away May 20, 1949.

One year has passed and gone Since we loved so well; Was taken from our home on earth.

With Jesus Christ to dwell. The flowers we placed upon her grave May wither and decay;

But the love of her who sleeps beneath, Shall never fade away.

Sadly missed by daughter, Margaret, son-in-law, Bruce, and family.

Cryderman—In loving memory of my dear wife, Almida Cryderman, who passed away May 20, 1949.

I have lost my soul's companion, A life linked with my own; And day by day I miss her more, As I walk through life alone.

God knows how much I miss her, Never shall her memory fade; Loving thoughts shall ever wander To the spot where she is laid.

Sadly missed by husband, Allan Cryderman.

Cryderman—In loving memory of a dear mother, Almida Cryderman, who passed away May 20, 1949.

Thou art gone but not forgotten, How we miss thy smiling face; But we hope some day to meet thee.

In God's own appointed place, Lovingly remembered by Nora, Wilmet and family.

Cryderman—In loving memory of a dear mother, Almida Cryderman, who passed away May 20, 1949.

Two dear bright eyes, a tender smile,

A loving heart that knew no guile; Deep trust in God that all was right,

Her joy to make some other bright. If sick or suffering one she knew, Some gentle act of love she'd do;

No thought of self, but of the other. I know, I said, "Well done, dear mother."

Sadly missed by her family.

Evans—In loving memory of a dear husband and dad, Charles Evans, who passed away May 18, 1945.

We cannot, Lord, thy purpose see, But all is well, that's done by thee.

Sadly missed and ever remembered by his wife and family.

Monkman—In loving memory of our dear mother, Mrs. Thos. Monkman, who passed away May 18, 1936, also our dear father, Mr. Thos. Monkman, who passed away Sept. 24, 1938.

Dear parents, you are not forgotten,

Though on earth you are no more; Still in memory you are with us, As you always were before.

Lovingly remembered by the family.

Peterson—In loving memory of a dear husband, Charles Peterson, who passed away May 23, 1949.

A faithful husband, one of the best,

May God grant him eternal rest. His loving wife, Audrey.

BIRTHS

Andrews—At York County hospital, Monday, May 15, 1950, to Mr. and Mrs. Bruce Andrews, Newmarket, a son.

Interment in Queensville cemetery on Sunday.

Jenkins—In Aurora, on Sunday, May 14, 1950, in her 92nd year, Catharine Elizabeth, daughter of the late Thomas and Maria Jenkins, formerly of Vienna, Ont.

Interment Mount Pleasant cemetery, Toronto, on Tuesday.

St. John—At the residence of her sister, Mrs. Bertha Thorne, Stouffville, on Tuesday, May 16, 1950, Mary Yake, wife of the late Clarence Wesley St. John, mother of Mrs. Ball (Ethel), Mrs. Gunn (Bertha) and Clarence; grandmother of Shirley Ball, Patricia and Valerie St. John.

Interment Stouffville cemetery on Thursday.

Summers—At his late residence, 143 Temperance St., Aurora, on

Friday, May 12, 1950, Herbert C., husband of Elsie Chubb, father of David, and brother of Mrs. Olive Matthews, and Mrs. Ethel Moore, Toronto.

Interment Aurora cemetery, on Tuesday.

ENGAGEMENT

Mr. and Mrs. Albert Hockley Zephyr, announce the engagement of their daughter, Daisy Georgina, to Mr. Charles Lincoln Crona.

The marriage will take place on Saturday, June 10, at 3.30, at the home of the bride's parents.

The engagement is announced of Jeannette Marie, daughter of Mrs. W. Snider, Toronto, and the late Mr. Frank Hiza, to Mr. Bruce H. Gould, son of Mr. and Mrs. Roy Gould, Newmarket, the marriage to take place on Saturday, July 15, 1950, in St. Peter's Roman Catholic church, Toronto.

Modern Mechanics

By HOWARD MORTON

Some may well remember the first automobile here in Newmarket. The first one I remember was a McLaughlin-Bulck owned by Mr. Oldham of Mount Albert.

When we think back these vehicles were really far removed from our modern creations of steel, chrome and glass.

I wonder how many people realize that the modern mechanic has developed just as rapidly as has the product he maintains?

The first cars were constructed on existing carriage chassis with simple internal combustion engines, often of only one cylinder.

Throughout the years we have watched the automobile grow by the addition of multiple cylinders, electric starting motor, four wheel brakes, all steel bodies, safety glass, hydraulic brakes, higher compression engines, full pressure lubrication, sealed beam headlights and many other complex refinements designed for safety and comfort.

Each of these developments has demanded more skillful treatment at the hands of service mechanics and maintenance men.

Where the skill of the village blacksmith was sufficient to service the car of a decade ago, you must now have an educated

and experienced specialist. And that skill must be supported by the finest precision instruments that automotive science can devise. Here at Morton Bros., your local Pontiac and Buick dealer, we train our maintenance mechanics with every available factory aid and we support them with the best in tools, equipment and building facilities.

We have just installed the very latest motor analyzer equipment which has just been developed by the Allen Motor Test Equipment Co.

We can now adjust your carburetion and electrical system to a greater degree of accuracy than could ever be obtained by manual skill.

We are also engaged in increasing our building facilities by approximately one-third. All for one purpose—to enable you to enjoy the safety, economy and satisfaction from your car which the manufacturer intended you to have.

You all know the urgent need in Manitoba—many of you have already responded most generously. To those who have not found it convenient to contribute as yet, please help our sister province in her great need by giving what you can to the local campaign.

41 CONFIRMED AT ST. JOHN'S BY BISHOP WEBSTER

On Friday evening, May 12, at 7.45, His Excellency, the Most Reverend B. I. Webster, D.D., administered the sacrament of confirmation to a class of 30 children and 11 adults at St. John's Newmarket. At 7.30 the children filed into the church—the girls looked neat and trim in their school uniforms, veils and red sashes. The boys wore Elton collars, red ties, red arm bows with streamers. Each child also wore a red rose bud with the medal of the Holy Ghost affixed.

The men of the parish formed a guard of honor from the rectory to the church. Promptly at 7.45, His Excellency, accompanied by his secretary, the Reverend Father Clune, and the Reverend Fathers Carey, Lynett, McNichol and McGinn, was met at the entrance to the church by the pastor, Rev. T. J. McCabe.

After catechizing those to be confirmed, His Excellency inspired all present with advice regarding daily family prayer, Holy Mass and the frequentation of the sacraments.

Following the confirmation ceremonies His Excellency reminded the class of the evils accruing from the excessive use of alcoholics and exacted a pledge from those confirmed to refrain from all intoxicating beverages until they are at least 21 years of age.

Solemn benediction of the Most Blessed Sacrament was given by His Excellency with the Reverend Fathers Carey and McGinn as deacon and sub-deacon.

The altars were beautifully decorated for the occasion with red tulips, yellow snapdragons, red and yellow votive lights and candles. Red bows with white streamers marked off the pews for the confirmation class. Larry Osborne served cross-bearer; Murray MacDonald and Melford McCaffrey, acolytes; John Insley, crozier bearer. The choir sang beautifully under the direction of Miss Florence Goldsmith.

At the conclusion, His Excellency and the Rev. T. McCabe, P.P., had their pictures taken with the confirmation class.

Saturday, May 13, 1950, Herbert C., husband of Elsie Chubb, father of David, and brother of Mrs. Olive Matthews, and Mrs. Ethel Moore, Toronto.

Interment Aurora cemetery, on Tuesday.

ENGAGEMENT

Mr. and Mrs. Albert Hockley Zephyr, announce the engagement of their daughter, Daisy Georgina, to Mr. Charles Lincoln Crona.

The marriage will take place on Saturday, June 10, at 3.30, at the home of the bride's parents.

The engagement is announced of Jeannette Marie, daughter of Mrs. W. Snider, Toronto, and the late Mr. Frank Hiza, to Mr. Bruce H. Gould, son of Mr. and Mrs. Roy Gould, Newmarket, the marriage to take place on Saturday, July 15, 1950, in St. Peter's Roman Catholic church, Toronto.

41 CONFIRMED AT ST. JOHN'S BY BISHOP WEBSTER

On Friday evening, May 12, at 7.45, His Excellency, the Most Reverend B. I. Webster, D.D., administered the sacrament of confirmation to a class of 30 children and 11 adults at St. John's Newmarket. At 7.30 the children filed into the church—the girls looked neat and trim in their school uniforms, veils and red sashes. The boys wore Elton collars, red ties, red arm bows with streamers. Each child also wore a red rose bud with the medal of the Holy Ghost affixed.

The men of the parish formed a guard of honor from the rectory to the church. Promptly at 7.45, His Excellency, accompanied by his secretary, the Reverend Father Clune, and the Reverend Fathers Carey, Lynett, McNichol and McGinn, was met at the entrance to the church by the pastor, Rev. T. J. McCabe.

After catechizing those to be confirmed, His Excellency inspired all present with advice regarding daily family prayer, Holy Mass and the frequentation of the sacraments.

Following the confirmation ceremonies His Excellency reminded the class of the evils accruing from the excessive use of alcoholics and exacted a pledge from those confirmed to refrain from all intoxicating beverages until they are at least 21 years of age.

Solemn benediction of the Most Blessed Sacrament was given by His Excellency with the Reverend Fathers Carey and McGinn as deacon and sub-deacon.

The altars were beautifully decorated for the occasion with red tulips, yellow snapdragons, red and yellow votive lights and candles. Red bows with white streamers marked off the pews for the confirmation class. Larry Osborne served cross-bearer; Murray MacDonald and Melford McCaffrey, acolytes; John Insley, crozier bearer. The choir sang beautifully under the direction of Miss Florence Goldsmith.

At the conclusion, His Excellency and the Rev. T. McCabe, P.P., had their pictures taken with

ST. JAMES' W.A.
HEARS REPORTS,
PLANS BAKE SALE

The W.A. of St. James, Sharon, met at Mrs. W. Osler's home with 18 present. The president, Mrs. F. Hall, was welcomed after her illness and she was able to conduct the meeting. Mrs. D. King gave the Scripture reading and Mrs. K. Steckley offered to read next month. The study book for this year, "Islam—Our Neighbor," has been received. Mrs. A. Thomas read the first chapter, "Unchanged Islam in a changing world." Mrs. W. Osler will study for June.

Delegates were appointed to the rural deanery meeting at Woodbridge, May 26. Mrs. E. Kiteley gave a splendid report of the annual diocesan meeting in Toronto where over 1,000 attended the first day. A letter of gratitude and deep appreciation for the box to Britain was received, written by a nephew of the recipient as she is now an invalid. He stated they also realized the spirit of helpfulness and goodwill behind our sending. Another parcel will be sent by the committee soon.

The Dorsal curtain committee presented a report and showed samples of the material being used, report was adopted. The Chancel Guild's report was also accepted. By special request of Mrs. Rogers, the meeting adjourned early to allow nine members to attend York County hospital "open house". The rest packed the bales and made arrangements for lunch served to the United church junior choir concerters in Sharon Hall Thursday evening, May 25, arranged by Rev. Pugh.

Mrs. W. Osler kindly offered her home for a tea and bake sale, arrangements to be completed at the next regular meeting June 14. Refreshment committee, Mrs. A. Thomas, Mrs. H. Robinson and Mrs. R. J. Rogers.

ELIZABETH WEBSTER
WEDS KEN WATSON

In an evening ceremony in Eglington United church, Toronto, May 6, Elizabeth Edna Yvonne Webster, daughter of Mr. and Mrs. James Webster, became the bride of Kenneth Watson, son of Mr. and Mrs. John Watson. Dr. W. J. Johnston officiated. Mr. D. Bodel was at the organ.

Given in marriage by her father, she was gown in white satin designed with fitted bodice and bustle effect falling into a train. A headdress of seed pearls held her floor-length veil, and she carried a cascade of red roses. Her three attendants wore corded taffeta gowns fashioned with portrait necklines and full skirts with matching picture hats and elbow-length gloves.

Miss Wilda Webster, sister of the bride, was maid of honor wearing orchid. Miss Dorothy Webster, bridesmaid, sister of the bride also, wore primrose yellow. Mrs. Arthur Brockwell, bridesmaid, chose pastel green. They carried colonial bouquets of spring flowers.

Clifford Watson was groomsmen for his brother and William Watson and Lorne Orser were ushers.

At The Towers, the bride's mother received in navy blue sheer with matching mill straw hat and corsage of pink roses. The groom's mother assisted in navy blue crepe with navy straw hat trimmed with white and a corsage of white and pink carnations.

For their motor trip to the United States the bride chose a grey two-piece dress with white straw hat and navy accessories and a corsage of white gardenias. The couple will reside in Toronto.

STORY OF UNION
TOLD W.M.S. BY
REV. R. R. McMATH

The Evangelical Auxiliary of the W.M.S. of Trinity United church, Newmarket, held its May meeting at the church with a good attendance. Mrs. John Rutledge conducted the worship service assisted by Mrs. Elmon Campbell. The guest pianist, Miss Sandra Owens, gave a delightful rendition of "Angelic Harps."

Rev. R. R. McMATH very ably reviewed the chapter on Evangelism from the study book, "Growing With The Years." Being in the ministry at the time of the union, he related some very interesting insights on the union and told of obstacles that had to be overcome at that time. The church encountered trying times during the depression but this year, thanks to the perseverance of its members, it is able to celebrate its 25th anniversary.

Mrs. A. M. Colville gave in detail an interesting report of the spring rally of the W.M.S. that was held in Trinity United church on May 2. Plans were completed to visit Queensville on May 16.

The white marlin is the smallest member of the marlin family, a powerful, speedy, surface fighter.

Unsung heroes of railroad work are the "gandy-dancers." In blistering sun and freezing cold they keep the rails safe in their job as section hands.

Newmarket Social News

—Mrs. Fred Roebuck, Grange-Over-Sands, Lancashire, England, arrived in town on Saturday for a six months' visit with her sisters, Mrs. M. Green and Mrs. Walter Calvert.

ST. PAUL'S W.A. HEARS
CONVENTION REPORT

Last Thursday the senior branch of St. Paul's W.A., Newmarket, held its monthly devotional and business meeting to close the season's work. Reports from the different officers were favorable, especially the report of the Dorcas secretary, Mrs. T. Bolton, which showed that the bales containing the outfit for our Indian girl in a mission school was completed and shipped to headquarters. Also, a carton of good used clothing for needy settlers of Canadian north west.

The delegates to the annual Diocesan convention last week in Toronto gave splendid reports, Mrs. Powell for the afternoon branch, Mrs. Rhodes for the evening branch and Mrs. Large for the social service. There were quite a few members of both branches at the corporate communion held at St. James' cathedral on the Tuesday morning when 1,060 members communicated and later heard an address by Bishop Beverley.

Mrs. Rhodes told of the interest taken in the splendid layettes, done up in cellophane, on display in the Dorcas room, donated by our evening branch. This was a remarkable accomplishment by an evening branch only a year organized.

The president, Mrs. Powell, extended to the members the kind invitation of Mrs. Chandler to hold their annual picnic at her summer home at Indianola Beach, Lake Simcoe. They hope to hold their picnic on Wednesday, June 21.

The date of the deanery meeting is Friday, May 26, at Christ church, Woodbridge. The opening meeting will be Holy Communion at 1 o'clock D.S.T. All members planning to attend will see arrangements for transportation in the weekly church bulletin.

B.P. CLUB HEARS TORONTO PRESIDENT OFFICERS INSTALLED

Miss Audrey Markham, president of the X-Ana Business and Professional Women's club, Toronto, was the guest speaker at the dinner meeting of the Newmarket club held in the King George hotel on May 15. Miss Markham conducted the impressive installation ceremony of officers and addressed the group on "Color in Life".

Miss Markham said that the person with the most colorful life is not always the one with the most startling experiences. It can be someone who travels no farther than the little hamlet in which they live, but from the depth of their personality radiate color. Take time to appreciate the little things as they come your way and you can't fail to grasp every attribute which every person whom you encounter has to give.

Miss Markham concluded her talk with a reference to the Business and Professional Women's club colors of green and gold. Mrs. M. B. Seldon thanked the speaker on behalf of the club for her inspirational message.

Mrs. Caroline Ion acted as chairman of the meeting in the absence of the president, Mrs. Jean Ellnes, and introduced Miss Markham. Mrs. E. Jacques thanked the guest of honor for

having conducted the installation of officers. Members of the downtown Toronto B. and P. club and the Toronto X-Ana club who were guests at the meeting were introduced by Mrs. Isabelle Garrioch.

Following the installation ceremony, Miss Laura Whitfield, the 1955 president, took over the meeting. The club will hold its second birthday party on Wednesday, June 21, at the summer cottage of Mrs. Alex. Eves.

CONFIRM 20

In a candlelight service held in the recently established church of Our Lady of Grace, Aurora, James Cardinal McGulgan, archbishop of Toronto, assisted by Rt. Rev. F. V. Allen, confirmed 20 candidates Monday night. It was the first confirmation to be celebrated in this church. The service was most impressive and largely attended.

Woman's World

By CAROLINE ION

The flood situation in Manitoba is foremost in the minds of all Canadians these days. Newspapers are studied; radio bulletins listened to with intense concern; news photos scanned and yet, it is beyond us to imagine the full extent of the tragedy. To many of us who have never had first-hand associations with such a flood, the magnitude of the disaster is overwhelming.

Think of the damage which occurs when a water pipe breaks in your house—the resulting mess and confusion. Then, attempt to consider the spectacle of your home submerged in water to the eaves. The rugs, the furniture, the books all covered in water. The family trinkets saved over the years and precious beyond any monetary valuation ruined. Here are the material evidences of a family's life together. Here is the security of a home provided for the children. As they watched and worked and waited the water has risen in a slow, but steady and unrelenting surge.

Left With Debts

Young couples who have built homes on which they still owe a sizeable mortgage are faced with the payment of that mortgage even though the house's foundation has begun to crumble. They have little left except this debt on a useless dwelling. Older folks, nearing the time of retirement who just a few short weeks ago faced the future with confidence and security, have been literally wiped out. The home and furnishings which represent their life's savings are gone and they must start out anew. But unlike the adventure which was associated with their original purchase of a house, they no longer have their youth and employable years

ahead of them. It is a bleak picture of despair which faces these many thousands of Canadians.

Among the most severely hit by the floods are the farm families. Many of them have been compelled to shoot their prize stock. Where lay their fertile fields is now a great lake of water. To a farmer whose love of the land and his animals is paternal, these spring days hold no promise.

To these losses must be added the ever-present threat of disease as water supplies are endangered of pollution from backed-up sewerage systems. Thousands of people living in temporary shelters invite such an outbreak and it is miraculous that to date no epidemic has broken out in that area. Many of the refugees who were able to bring with them little more than a change of clothing have no relatives to whom they can turn for assistance. Beyond this seemingly unassailable wall of disaster and national calamity is the wonderful faith and support of the people of Canada as they rally to this cause with material assistance.

Come To Their Aid

The Salvation Army, the Red Cross and the I.O.D.E. and many other groups are giving invaluable aid. To facilitate the hundreds of thousands of evacuees in their re-establishment, the Manitoba Flood Relief Fund has been started.

To many Newmarket residents, this 1950 Manitoba flood is not a remote incident for they have parents or other relatives and friends among the evacuees. To them it is a matter of immediate and vital concern. They are joined by those of us who have no close ties with the west except our desire to help. In the local campaign for funds, information about which is carried on the front page of this issue, everyone is urged to contribute as he can. Every donation will be welcomed.

The willingness of the local women's groups to undertake the house-to-house canvass and the number of canvassers who have volunteered their services to date has been truly heartwarming. Newmarket has always come through with financial assistance in previous drives and we are certain that this same enviable record will be maintained. When the canvasser calls at your house . . . give as you can, but give.

DR. M. E. B. BOUDREAU
H.S. ASS'N SPEAKER

Dr. M. E. B. Boudreau will be the guest speaker at the annual meeting of the Newmarket Home and School Association in the Alexander Muir school on Tuesday, May 30, at 8 p.m. The installation of officers for 1956 will be conducted by Mr. Samuel Jefferson.

Pupils from the classes of Mrs. Proctor and Mr. Hollingsworth, Stuart Scott school, will give a demonstration of folk dancing. The public is cordially invited to attend and a special invitation is extended to parents and teachers.

H.S. ASS'N SEEKS
CLOTHING GIFTS

Donations of good used clothing for the Newmarket Home and School Association, opportunity sale may be left at the market place on Monday and Tuesday, May 22 and 23, from 2 to 4 p.m.

The sale will be held in the market place from 2 to 5 p.m. on Thursday, May 25. Proceeds from the sale are used for the work of the organization in the community. These opportunity sales which have become regular semi-annual affairs provide many parents with a reliable source of good clothing at very reasonable prices.

GIVE \$10 TO BLIND

A donation of \$10 was made to the Canadian National Institute for the Blind by the Newmarket Business and Professional Women's club at its dinner meeting on May 15.

No action yet on lights

There is little to report on the proposed plan to shift the home of softball and baseball in Newmarket to the fair grounds. The 20-man committee suggested at the previous meeting hasn't been convened as yet. Chairman Chas. VanZant indicates investigations as to the best possible means to finance the project are being carried out at present.

At the earlier meeting, it was thought the complete cost of installing floodlights, erecting bleachers, fencing and building a first class diamond for both softball and baseball would run between \$18 and \$20,000. It was felt that at least a quarter of this cost could be covered by a government grant.

Simcoe loop starts At Mount May 25

Batter up! Play ball! Lake Simcoe Softball League teams take their first bite of the schedule May 25. Honor goes to Dot Menar's Willow Beach at Mount Albert to start the fun. Eight teams are in: Vandorf, Pine Orchard, Mount Albert, Queensville, Hope, Keswick, Willow Beach and Zephyr. League executive met Friday to pass on players' lists. All teams submitted one but Mount Albert. Mounties slow in getting underway this year. What was thought might develop into ornery session for the executive passed off without too much fuss. So now everything is set for the grand opener.

Might be wise with the season close at hand to preview the teams. Will start in the south and work northward. Vandorf will come in with about the same club as last season. Coach is Art Starr. Harold Botham and "Cab" Preston will share mound duties, Allan Wideman and Walt. Patenden, the receiving chores.

Pine Orchard will go along with Ed. Tidman and Harvey Preston on the mound and Bill Dike and Doug. Hope behind the platter. Orchard men are going to miss Bill Walker around short-stop but have lined up Harry Brammer as a replacement. Ab. Boak has been named manager and they are on the look-out for a coach.

Hope is coming in with a combination of young players and veterans. Don. Glover hasn't put his left mitt to a contract as yet so main pitching burdens will fall on Lon. Canton with help from the Stickwood boys, Elton and Ron. Either Regs Eves or Alvin Wilson will don the mask. Ned Tansey is expected to bolster the inner defence lines.

Mount Albert, the one team failing to post a list, is expected to defend the crown with about the same club as previously. Rumors are flying that Doug. Simpson and Doug. Ross will be missing and that Charlie Green and Harold Watts are forsaking

READY AND WAITING

"Don't sell Mount Albert short they're in the Lake Simcoe league with another good team. We have a few surprises in store for the other teams and we'll be ready for the opener with Willow Beach here next Thursday."

That's the general theme from the den of the defending champions. Two practices have been held to date and several new faces will be seen in the line-up. Morley "Joe" Case has been elected manager and Horace Pearson, coach. Ken Mitchell has been selected as team captain. Harold Watts will serve in an executive position.

the diamond sport. With Ken. Mitchell pitching and Ross Draper receiving, Mounties won't be far off the pace.

Queensville submitted a nine-man list, more to follow says Lorne Smith, manager. Bill VanZant and Tod Mosier are likely to prove batterymates. Geo. Evans and Bill Burkholder are another twosome. Bill VanZant is coach.

Percy Richmond is manager at Keswick, Royden Connell, coach. Harold Smith and Bill Henry will do the heaving with league home-run king, Ken. Hodgins, holding them up. Ken. Davis, Sutton hockey man, now a store-keeper at Keswick, will likely be seen in action with the Lake Simcoe clan.

Dot Menar's Willow Beachers look well fortified in the pitching department with Cec. McNeill, Duff Sedore of last year's Brownhill club, and Geo. Holborn around to swing in with the high fast one. Ted Anderson will carry the catching burdens.

Zephyr looks ready for all comers. Have "Joint" McComb and Ron. Kester to serve up the offerings and Clarkson Arnold to do the back-stopping. Zephyr executive hadn't been named at the first of the week.

Haskett's HASH

BY GEORGE HASKETT
Newmarket Sports Editor

Harbingers of spring! Bah! Better stay way from softball coaches and managers or they'll be dead ducks. Frustrated ball players everywhere. Old man sunshine hasn't given them a break this spring. No practices to date. Hang the weather, says Frank Hollingsworth, we've waited long enough. This week, hot or cold, school leagues start stoking with four baseball and ten mushball sides.

Softball squirts, 11 and under, drop their books after four and baseballers fill their tummies before tackling the long runs. Ever stop to consider job our school teachers do in the sport department? Give our boys and gals chance to play the game. Three R's are important and so is building healthy minds and bodies. Taking the knocks and the wins with a smile can mean a lot later on. Good show Frank Hollingsworth, Mr. Jackson and public school staff.

All this leads up to a snide remark—new school going up in close proximity to the fair grounds. Diamond and play-grounds will be needed to go along with it. Charlie VanZant and his ball committee fired the opening gun recently for floodlights, stand, and good diamond. Nothing has developed so far. Committee hasn't convened as yet. Must start pushing that slogan "floodlights in '50" to the limit.

Whether it's the weather or not, we can't raise enthusiasm for the North York Softball League. Newmarket will likely join Aurora "Meteors" and sit this one out. Story here is no pitcher. Bill VanZant is off to Queensville, "Joint" McComb will wing 'em over in favor of Zephyr. As one softball sage remarked "town of 5,000 with only two pitchers, must be something wrong".

Just shows what happens if no minor leagues to bring 'em along or else the younger fry are thinking baseball wise. Enough of them carrying gloves around to make us think so. Well, at that, who ever heard of a softball player making the big leagues and there's a chance a baseball player going up. Pros are looking for prospects and who knows, it might be one of our boys. Well, enough of that surmising.

Every cloud has its silver lining. Absence of a big team may be a blessing in disguise. Could mean a stronger town league. Mickey Smith of the Bell Telephone brightens up the wash day blues with the good news tingaling men want in. That gives us Optimists, Bell Telephone, Specialty and Hoffman as sure starters. Davis Leather and Legion could make it six. More the merrier. Town Merchants, unless they're afraid of their hockey reputation, could make it seven and the eighth have that Dixon-Bender-S-a-n-g-a-m-o-P-r-i-c-e-N-e-w-m-a-r-k "Comblines".

Don't forget Dewey Kuhns has a trophy earmarked for competition. Meeting this week. Strong executive required or fat will be in the fire. Could mean a lot of fun, brighten up the summer evenings for a lot of softball players.

Fair sex: Ladies' softball organized last week. Defense of Barrie and district crown won last year main objective. P.W.S.U. entry also. Need more players, says Coach Charlie VanZant and Skipper Courtney. Practices any night now. So if interested in playing ball, gals, contact the coach at 775.

Plans for a junior ladies' softball league are starting to take shape. Reg Ball and Geo. Watt

On the alleys

Lorne Mainprize's Eskimos finished on top of the Mount Albert Bowling League race with 78, a scant two points in front of Jack Pearson's Cubs. Here's the captains and order of finish of the other teams: L. McQuaid, Hurons 66; D. Campbell, Excelsiors 65; J. Hammett, Tigers 61; J. Graham, Dead Ends 54; G. Young, Falcons 53; E. Davis, Aces 50; H. Kurtz, Dodgers 49; J. Slorach, Bruins 48; C. Rolling, Pirates 48; M. Oldham, Pioneers 47; R. Willbee, Bluebirds 45; K. Ross, Plutocrats 41; S. Harper, Wildcats 35; R. Stewart, Beavers 24. Had to prepare another script when the play-offs rolled around as Cubs won out, ringing up 3,103, Eskimos 2,872, Hurons 2,869, Excelsiors 2,842.

Doreen Oliver captured high average prize with a 161.78, runner-up Marian Case 159.18. Marian Case walked off with the three-game crown with 690, Blanche Evans second with 611. Dot. Brown topped the single Evans again in the runner-up game marks with 275, Blanche

slot with 263. E. Morrison had a 615 count, high three with handicap, and M. Pearson, 275 single with handicap.

Murray Stokes headed the averages with 194, runner-up Geo. Price 191.24. Murray Stokes had high three of 784, second, Lorne McQuaid 708. Lorne McQuaid had a 347 single high, Don. Thompson runner-up with 325. D. Campbell topped three-game scorers with handicap 768, and H. Longhurst pencilled a 333 single game with handicap. Another successful season, reports G. E. Snyder, league secretary. Reg. Willbee, Mount Albert postmaster, takes over from his banker friend as secretary-treasurer for the 1950-51 season.

One week to go and the battle of the century looms for top slot in the Monday Night ladies' league. Snoops and Jokers are tied for top with 62, Deuces and Aces have 58 each, Huskies 50 and Rookies 52.

The gals are talking in terms of a four-way tie—we shall see—next week's action tells the story. Deuces were running wild Monday to gain a sweep over Huskies. Jokers and Rookies earned 3-1 wins over Aces and Snoops respectively. Record shattering marks were the order, Edna McGrath leading with a 644 (257-210-171). Mona Dean made it closer with a 637 (105-230-212). Other scorers in the top brackets were Gwen Doyle 622, Claire Pollock 592, Dorothy Bowser 571, Phyl. McInnis 570, Emma Broadbent 568, Marion Stark 551.

SPORTS' 'GOOD JOES'

Haskett's hat off to 'Peaches'

By GEORGE HASKETT

This is the second of a series in our plan to hand a pat on the back to some of the good jobs in the willing workers circle of town sports. This time, we have put the finger on a rather portly gentleman—character we should say—and he'll nab us for either or both of those slips—who gets tabbed "Peaches" more than anything else. Whether he hides behind this or some other handle, you all know him as Charlie VanZant.

If it has anything to do with ball, "ask Charlie" has become a by-word. Over the past 25 years Charlie has been playing, coaching and managing ball teams. Think it was about 1926 when "Peaches", a wee bit of a lad, played junior baseball here first and since then hasn't been far from a ball diamond on a summer evening. He was one of the early cogs in getting minor baseball away to a good start, has coached the girls' teams. He has a knack of getting the wimmin to do things—must be the winning smile that gets 'em for his club reached the Ontario finals. He had a large part in the Vets softball machine's climb to prominence over the past years and has a good many years left—so he says and who are we to doubt him?

There's no stopping his ready line of chatter on the ball field and don't try to change his batting stance. One club we recall last summer did just that—and lived to regret it. Complained about his foot-work. He changed—and promptly walloped a double down the first base line—a pinch hitter no less at that. Charlie's jalopy has rolled many a mile with a ball team in tow or was it the other way around—ball team towing his Chevy? Always get a chuckle out of VanZant's back car door. It was nailed on in some manner. One evening somebody not in the know gave the car door handle a quick twist and was left holding a car door in his hand. P.S. The fun's over—has a new car. To go along with his ball chores, he serves on the recreation commission and town council. Last winter, though we didn't know he was a hockey man, he took over the presidency of the town league and there's little doubt it was a success. Now he's chairman of the committee to get a new diamond and floodlights.

So that's a few of the reasons we're here today to say: "Nice going, Charlie". Sport needs more of your type. The good work you accomplish is not forgotten.

Desirable Home Sites
available in
New Restricted Subdivision
Secluded area, near public and high schools, away from traffic hazards.
Extension of Millard Avenue west to the west end of "Lewis' bush" and a short street running north to "Millard's bush" which it is proposed to name "Forest Glen Road".
A park area of bush and playground is being set aside and since a stream of clear spring water flows through the old mill site it is planned to develop safe summer swimming facilities.
ATTRACTIVE LARGE SIZED BUILDING LOTS
If you are contemplating building a new home either immediately or in the next few years, inspect this new subdivision and reserve one of the limited number of select home sites.
It is expected that roadways will be completed by the 24th of May.

GALS PREPARE FOR SEASON ON DIAMOND
Looks like another banner season for ladies' softball in the hub. Newmarket ladies' softball club held its organization meeting of the season last Thursday. Orval Hissey was returned as president, Vic Giovanelli and George Haskett vice presidents and Mona Dean, secretary-treasurer. Frank Courtney got his old job back as team manager and Charles VanZant was re-elected coach.
Following the election of officers, plans for the coming season were discussed. The team will again enter the Barrie and district softball title hunt to defend the championship won last season. The club will also re-enter the intermediate series of the P.W.S.U. playdowns.
Prospects look bright for another good team. Practically all of last year's regulars will be ready for duty but Skipper Courtney and Coach VanZant sent out a call for all ladies interested in trying out with the team to get in touch with them. Practices are due to start as quickly as the diamond can get put in shape.
Those attending the organization meeting were Mona Dean, Phyl. McInnis, Mary Osborne, Lois Manning, Jacqueline Moore, Arlene Moore, Edna McGrath, Hester Clark, Joyce Buckmaster, Geo. Watt, Orval Hissey, Charles VanZant, Frank Courtney, Geo. Haskett.
AID HOSPITAL
At their closing meeting on May 18, the Parochial Guild of St. Paul's Anglican church, Newmarket, donated \$10 for the purchase of baby blankets to the Women's Aid of York County hospital.

No-play memberships

The Newmarket Tennis Club is serious about increasing membership. With this in mind, non-playing memberships will be tried out this year, says Dr. John Dales, club president.

Non-playing membership will entitle the holder to attend the various tennis meets, the social functions of the club and have guest privileges. Fees will be \$5 single or \$8 per couple. These fees will be kept almost exclusively in a fund to build a clubhouse.

A slight correction on last week's report: intermediates are those under 19 as of June 1 and

they are entitled to use the courts on Tuesday and Saturday evenings up to 8 p.m. Junior members are those under 18 as of June 1 and can use the courts every day, except Wednesday afternoons, up to 6 p.m.

The club intends to hold Wednesday afternoon tournaments, draw for partners each week, points to be tallied over the season and prizes awarded to the winners at the close of the tennis season.

President Dales and his executive are hoping to have an active club, boost tennis, and have sights set on a clubhouse. If interested in membership contact either the president or Mrs. Margaret Davis, treasurer.

LANSING WIN OPENS LEAGUE AT AURORA

Richmond Hill softballers and Lansing Tirenem pried the lid off the North York softball loop on Monday night at Aurora with the North York boys taking a 15-11 verdict in a free-swinging game. A total of 31 bingles, including three homers, went to the batters, while the cool evening breezes contributed to the errors in the fielding column which ran into double figures.

Manager Charles Ryan trotted out practically the entire Aurora Meteors of last season and used three pitchers. Andy O'Neil of Aurora started on the mound, followed by southpaw Normie Stunden, while the veteran Teddy Bennett ended the game and was charged with the loss. Six runs in the eighth inning spelled disaster for the Ryan clan after they had worked twice from behind to obtain a tie score.

Lansing presented a well dressed, well drilled team, which fell apart in the field in the clutch and then tightened up in the stretch to win. Lefty Walker went the route although touched for 13 hits. Statham behind the plate, Cochran and Whitehorn made fine fielding plays.

At the plate Art Briggs of the visitors topped all hitters with five for five while Statham and Hughes each had three, Earl MacDonald had four straight hits for the Hill while Mac Clement had three.

AURORA MINOR HOCKEY ENDS WITH BANQUET

Aurora Recreation Commission and Aurora Lions club played hosts at Gray Stones to the 50 youngsters who performed in the Aurora minor hockey league for the past winter. The event brought to a close the most successful year in the history of minor hockey in Aurora and Harry Jones, Bill Allen, Bill Patrick, Bill Mundell, Alf Child, Jack Seaton, and all those who did such a great job with the youngsters, came in for some well merited praise. Sponsors of the four teams, Walt Milgate, Tom Spence, Ernie Holman and Merv Taylor, were warmly applauded for their support.

Reg. Hamilton, ex-N.H.L. star and chief scout of Chicago Black Hawks, was guest speaker and while he cut it short, he gave the kids a quick glimpse behind the scenes in bigtime hockey. "Never forget your school books. A hockey player who makes the N.H.L. can only expect eight to ten years of big money. You need brains before you get into big league hockey, and you'll need them afterwards." He stressed the fundamentals that were needed and congratulated Aurora on the start that had been made for the future.

Seated at the head table were: Harry Jones, Frank Underhill, Mayor Alex Bell, Ab. Hulse, Reg. Hamilton, Archie Cousins, Harold Hotram, Don Glass, Tom Swindle, "Walter Milgate and Tom Dickson. Mr. Cousins was chairman while Ab. Hulse introduced the guest speaker.

Tom Dickson presented the Dickson trophy to Milgate, winners of the series, team captain Robert McGann accepting the trophy. Mr. Milgate gave each of the players championship crests.

Frank Underhill presented the Underhill trophy, emblematic of the best team player and general all-round good sport, to Jimmy Preston. Mayor Alex Bell presented crests to the bantams who gave a good account of themselves in the King Clancy series, while Harry Jones made the awards to the pee-wees who lost out in the T.H.L. King Clancy finals by one goal. Harold Hotram, of the community programs branch of the department of education, spoke briefly and showed three films of sports that delighted the youngsters. Tom Swindle introduced Mr. Hotram. Don Glass, chairman of the Aurora Recreation Commission, expressed the appreciation of the commission.

V.L.A. BOWLERS LOSE TROPHY TO TORONTO

Newmarket Regional Office of the V.L.A. lost the Bill Such Trophy last Friday to Toronto District Office. Eighty-nine pins made the difference between keeping the trophy in Newmarket and seeing it disappear to Toronto.

Cool weather has held the team practices to a minimum, according to manager Elgin Hastings and coach Art Walker. The team is expected to show with about the same roster as last year. Pitching duties will be shared by Ken. Ellison and Don. Marchant. Doug. Marchant will handle the receiving.

Schomberg's other softball team is entered in the York-Peel League and will contest with Woodbridge, King, Nobleton, Kettleby and Pottsville for the league crown. League officers in the York-Peel League are Harold Rose of Nobleton, president, Murray Edgar of Pottsville, vice-president, and Albert "Pike" Cabil of Schomberg, secretary - treasurer. League schedule is expected to be ready for submission to the teams by May 23. Bob Moody is coach of the Schomberg entry and Albert Cabil, manager.

Individual trophies were presented to Arlene McTavish, high average; Barbara Thompson, high single; Vi Curtis, high double; Joan Fahey, high single with handicap; Marion Pickering, high double with handicap. Awards in the men's division were to Tom Sadeski, high average; Lou Tompkins, high single; Scottie Taylor, high double; Neil MacDonald, high single with handicap; Bill Tulloch, high double with handicap. Following the presentation of prizes, party moved to Club 14 for dancing. The victorious visitors expressed thanks for a most enjoyable evening.

Teams were: Toronto District, L. Symington, J. Cussack, J. Padgett, A. Douglass, Mrs. J. Padgett, C. Samuel, P. Bender, C. Atkins, J. Rieborough, J. Davis, B. Edwards, I. Worobetz, Mrs. N. Paxton.

Newmarket Regional Office: Tom Sadeski, Art Lloyd, Neil MacDonald, Jim Rook, Vi Curtis, Arlene McTavish, Joan Fahey, Lou Tompkins, Scottie Taylor, Bill Tulloch, Bill Dunstan, Barb Thompson, Joan Boddington, Marion Pickering.

Toronto Regional Office: E. Brathwaite, S. Gray, F. Minchin, J. Harris, G. Hill, Mrs. J. Harris, G. Hopkinson, C. Garrett, N. Paxton, T. Abram, E. Rumney, F. Morrison, R. McGill, Mrs. F. Minchin.

Last call on Friday

For North York entry

Positively the last and final call. There is still a chance for Newmarket to enter the North York Softball League. All players and fans interested in seeing a local team enter are asked to be at the council chambers at 7 p.m. tomorrow, Friday evening, May 19. League president Fred Morris reported Tuesday morning that Aurora had had a change of heart and was coming in with a team and he was hoping that Newmarket would do likewise. This is your last chance, fellows.

N.H.S. TAKES P.C. IN OPENER

Ten teams are in action in the Newmarket high school softball league, six in lower forms, two in middle school, and two in upper school. Inter-form play-offs are due to start this week, according to Fred Speer, in charge of boys' athletics at the N.H.S.

The high school softballers gained a 13-9 win over Pickering College in an exhibition game Tuesday. One big third innings when eight runs came galloping home proved the margin of victory. Jerry Hugo on the high school mound set the Collegians down with six hits while his mates found the offerings of two Pickering hurlers, Jack Richmond and Jim Easter, to their liking and whammed out 12 hits, seven for extra bases.

High school: Howard Ash c, Jerry Hugo p, Ron Coveney 1 b, Jim Hugo 2b, Alvin McKnight ss, Paul Morton 3b, Jim Hodgins, Bruce Rogers, Hal Simmons, outfield.

Pickering College: Bill Buck, 2b, Phil Holt 1b, Doug Mawson rf, Chas. Beamish c, Laurie Hansen cf, Jim Easter p, If, Ivan Meneck ss, Bill Maguire ss, Mike Rundle 3b, Jack Richmond p, If.

TOWN LEAGUE

Interested in Town League Softball?

Organization meeting will be held in the town council chambers at 8.30 p.m. Friday, May 19. Delegates from Optimists' club, Legion, Bell Telephone, Vets, Hoffman's, Office Specialty, Davis Leather and Town Merchants are asked to make a note of the date and time. Election of officers for the season and acceptance of entries from the teams will take place.

Over 150 registered For figure skating

Over 150 boys and girls of Newmarket have registered for instruction in the figure skating classes to start this fall in the Newmarket arena. A meeting to form the Newmarket Figure Skating club was held at the rink Tuesday afternoon. Executive named were Mrs. Howard Brice, Mrs. Dr. John Dales, Mrs. Keith Davis, Mrs. Fred Henney, Mrs. Lawrence Molyneux, Mrs. Morley Gilkes and Mrs. Horace Jacques.

Any parents wishing to have their boys and girls registered for the classes are asked to get in touch with Mrs. Howard Brice not later than Monday, May 22. This is the deadline for registering.

Harold Hartley, who appeared in several ice skating shows locally over the past couple of winters, will be the instructor. Price of group lessons will be 50 cents per person and individual lessons at \$1 each. The committee will meet again next week to further its plans for the fall activity.

DOWN THE CENTRE BY AB HULSE

Hawks scout scores at banquet

Orchids to Don Glass, Aurora recreation commission, and Aurora Lions club and all those who made the banquet to Aurora minor hockey clubs such a great success. The affair was a fitting climax to a fine season and both adults and kids enjoyed it all.

Reg. Hamilton, Ontario scout for Chicago Black Hawks, made a hit with his short snappy speech and was besieged afterwards by the autograph hounds.

Reported writer's cramp as the outcome, but nary a youngster missed a handshake or a signature. Hamilton is the type of fellow who lends credit to professional hockey and the Hawks have a fine ambassador of goodwill in the former defence star.

Hamilton started in junior A with Marlboros at the age of 14. Played on the St. Mike's team of 1943 as a teammate of Pep Kelly and Don Willson. Moved to Syracuse at 18 and spent 15 years in pro hockey as an active player.

He was on two N.H.L. winners with the Leafs and was then sold to Chicago. After a season under Johnny Gottselig, he was sent to Kansas City where he took a cellar team to the league championship. He was slated to succeed Gottselig but somewhere along the line was side-tracked for Charlie Conacher.

He started junior A as a teammate of Red Mitchell and had him as a player at Kansas City. This year he's covered 5,000 miles by car and travelled by train and plane as well in the never-ending search for players. He's mum as to who'll succeed Conacher. He expects a tie-up between St. Louis and Chicago to be announced soon. Says that in all his travels you can count on your fingers the minor players who are really top-flight prospects, but you can never tell.

Galt will not be a doormat of the A series next winter, with plenty of good reinforcements en route, and Al Murray in charge. Liko Gulph and Barrie and Marlboros, Galt will feature a smart B team next winter that will serve as a feeder over the years for the A club. Tried to sign Dance and Merrill, Collingwood, but the former wants to remain home for another year, and Merrill, who is employed in a bank, wishes to stay in Collingwood for family reasons. He's high on a forward from Simcoe and two from Preston who inked C forms recently. I was wrong, sez Reg: "After seeing Aurora, Collingwood and

Since in action, I figured Aurora to win handily."

Lindsay is interested in a tie-up with Chicago and it is now definite that Bill Mitchell will remain there. Hamilton was non-committal about that angle, but if Aurora folks are interested, could be that some Black Hawk chat-tels might move here in the fall. So far, no word about junior hockey. Earl Attridge says he's finished as an executive but will lend support to anyone who wants to carry on. Most of the Black Hawks' execs feel that way too. "Was ever thus in the spring, but these days you have to move fast. Somebody should decide the course of action this month. The Hawks will hold their celebration soon, the kids have been given a free hand in arranging things and they apparently have a sweet melon to cut in the final analysis."

Wanted: Aurora softballers are keen to have a team to defend their 1949 honors. All they lack is a manager, and one or two fellows to get things organized. Same thing applies to junior baseball. Practices in softball and baseball this week and by next week it may be a different story. Right now the softballers have: Jim McDonald, Andy O'Neil, Earl MacDonald, Bill McGhee, Ron Simmons, Gerry Atchison, Red Castles, Wilf White, Loring Doolittle, Grant Green, Bruce McMillan ready to go. A Newmarket - Aurora amalgamation might be the answer this season.

North York Canadians who made a poor showing in the North York league in other seasons, appear to be much stronger this year. Jackie Statham, well known Toronto baseballer, has been added to catching staff and he's a real asset with pepper behind the plate and punch at bat. Lefty Walker, a southpaw who has tolled in the Toronto industrial circuit, will handle the main pitching chore with finesse and experience if not blinding speed. Ernie Hughes, well known hockey goalie, Ken Whitehorn, the smart fielding out-gardener, George Stark, ex-Aurora-Newmarket-Markham hockeyist, Mickey Cochrane, the smooth second sacker, and husky Bob McGhee at first are in the infield with Norm McDonald who played hockey with Newmarket Vets three years ago as utility.

Art Briggs and Johnny Salvie, two newcomers, are plenty smart in the outfield. Garbed in

white and black baseball uniforms, complete to bat boy, they will be a thorn in the side of most clubs before the season is over.

Pot-pourri: As we predicted last week Mac Clement, one of the district's best all-round athletes, will play hockey in Scotland come October. The burly Richmond Hill boy signed with Ayr on Monday. "Lard" will play softball four nights a week between Buttonville and Richmond Hill and might also get in the odd game of baseball. He's the first defection from Markham Millionaires.

Two young Aurora athletes distinguished themselves in the St. Andrew's vs. Pickering prep school track meet last Saturday. Ian Hector annexed the senior high jump while Gerry Simmons finished third in the discus, although one of his efforts on which he was disqualified was top mark of the day. St. Andrew's is looking towards the big prep school meet early next month. Army Armstrong, one of the smoothest catchers ever to work in these parts, has been signed by Langstaff after a year's absence and with the loquacious and driving Armstrong to handle his three pitchers, Fred Morris is all smiles.

Bruce Morton, Lansing, and Tom Dickson, Aurora, have been added to the district softball umpiring staff and the league looks to have two mighty fine arbiters in the duo. They handled the Lansing vs. Richmond Hill game with both dispatch and savoir faire and best of all, nary a squawk. Just you wait, gents, until the boys get warmed up.

Bill Babcock, former Aurora high athlete, lately manager of Varsity soccer squad, has joined the staff of Merriton high school in his first teaching post. Among the new novelty platters which will be ringing in your ears for many months is a catchy item called Beany, the bow-legged bowler. This strictly has nothing to do with the Aurora alloys.

Loring Doolittle is once again playing baseball in the Varsity senior circuit. Uniques, his '49 club, folded but "Gabby" caught on with the Ace Bowlers. He's in the outfield and doing a neat chore. Scotty Mair is the first Newmarket boy and ex-Aurora junior to ever play on an Allan Cup winner. Caught a glimpse of Huggle (on Saturday and he looked mighty smart in his fawn western sweater.

YORK COUNTY

In Review 1615 - 1949

This is another of a series of articles on the history of York County, edited by Hugh Griggs, Mimico, from information compiled during the past four years by W. G. Goddard, staff member of Weston Collegiate Institute and Vocational School. York County celebrates its centenary this year.

In the year 1795, the township of Etobicoke was surveyed. The government erected a saw mill on the west bank of the Humber about six miles north of Lake Ontario in this township, near the present site of the old mill. This same year saw the settling of Atkinson's Mills, which we now know as Thornhill.

The following year the town of York was made the seat of government and the parliament of Upper Canada was removed from Niagara-on-the-Lake, then known as Newark.

John Ashbridge and Jonathan Ashbridge were the first to obtain grants of land in the township of York. John White and Capt. William Mayne obtained the first grants in the township of Scarborough while David and Mary Thomson were the first settlers.

Asa Johnson was the first to obtain a grant of land in the Township of Vaughan and Joseph Bouchette, the first in the Township of Whitchurch. In the Township of Markham the first grants were taken out by Thomas Kinnear and John Lyons.

This same year, 1796, saw the land cleared for Yonge St. from York and marked out for 33 miles to Holland Landing. This was done by the Queen's Rangers.

Russell Appointed

After Lt. Gov. John Graves Simcoe left Upper Canada on transfer to San Domingo, West Indies, Hon. Peter Russell was appointed administrator with the

title of president of the province.

The parliament buildings at York were completed the same year.

The first government grant for Upper Canada for education was made to a private school at Cataraqui, now Kingston. It amounted to 100 pounds.

On August 20, Captain George Playter was granted township lot No. 20, second concession, on the east side of Yonge St. and the north side of Bloor St. His house was built on the same site as Sir Edward Kemp's at No. 2 Castle Frank Crescent. The stone foundation of the Playter home was unearthed while digging the excavation for the Kemp residence in 1902.

Rev. Thomas Raddish, M.A., arrived at York in November and was appointed the first rector there. He returned to England in July, 1797, but did not resign his appointment until March, 1799.

The shadows of war soon diverted the Rangers from their peaceful tasks. The governor-general scoffed at Simcoe's warning, but when American troops approached the western forts, he sent militia to help the Queen's

Rangers in the defence of Upper Canada.

Helped at Detroit

The fortifications were entrusted to the Rangers, and one company placed in garrison while the regiment was dispatched to aid in construction of an outpost at Detroit. With the signing of Jay's Treaty, the danger to the province passed and the regiment was withdrawn, within its boundaries. In 1796, Colonel Simcoe left Upper Canada and Lieut. Col. David Shank took command.

Thomas Hind and William McClellan were among the first to obtain grants of land in the Township of King in 1797.

It was on June 1 of this year that the first parliament of Upper Canada met at York and sat in the new parliament buildings erected at the foot of what is now Parliament St.

The legislative assembly of Upper Canada petitioned George III for a grant to endow district grammar schools and a university and 540,000 acres were granted for this purpose.

The second session of the second parliament of Upper Canada empowered persons now admitted to practice in the law and practising at the bar of any of His Majesty's courts of this province to form themselves in a society to be called the Law Society of Upper Canada.

Ten practitioners met at Wilson's Hotel, now Niagara-on-the-Lake, on July 17 and called themselves and five others to the

Jersey show May 24

May 24 and Richmond Hill Fair are synonymous, with this year's 101st fair following the old tradition. The York County Jersey Club is again sponsoring its annual county "parish" show as one of the main features of the fair when there will be approximately 100 head of top notch Jerseys paraded before Gordon Innes of Woodstock who will make the awards.

York county has long been famous as a stronghold of Jerseys and the Jersey Show has always brought out very strong classes. The spectators too have been pleased with the delightful setting and the free bleachers provided for their comfort.

Judging of the bull classes commences at 10.30 and the females at 1 p.m. President A. G. Little of Markham, says that with a good line-up of entries they are leaving the rest to the weather. In case of rain the Jersey Show will be held in the arena.

TICKETS AND INFORMATION KING GEORGE HOTEL

OTTAWA LETTER

by

Jack Smith, M.P.
North York

There has been some criticism of the money spent by the government on information services. True for all departments of government this item of expenditure amounts to a very considerable amount every year, but while there may be some room for criticism it must be remembered that this service is very useful and helpful to many people.

I feel it could be more useful if more people availed themselves of the many information services available. For instance, the department of agriculture has more than 550 publications available for free distribution. The publications of the department are issued in different forms to meet a variety of needs.

Farmers' bulletins are written in popular language and are intended to assist the farmer by presenting the latest findings on such matters as cultural practices, varieties of crop plants, livestock production, pest control, marketing information, etc.

Technical bulletins present in more scientific terminology the results of experiment and research with specific problems relating to some phase of agriculture.

Consumer bulletins are prepared for the use of housewives and consumers generally. They emphasize the dietary value of various food products, encourage the use of foods in good supply, and promote the conservation of perishable products by such processing as canning, freezing and dehydration.

Circulars are short pamphlets which cover some definite phase of farm activity and are used largely to answer requests from farmers for information on a particular topic.

I will be pleased on request to send a complete list of publications available or to make enquiry regarding publications on any subject of special interest. This is a service made available to all without special charge, so let's make use of it.

Red Treatment

The same day, the notorious "Red Dean" and Dr. James Endicott visited Ottawa to sing the praises of Soviet Russia to a small crowd of less than 200. The House of Commons refused by a vote of 147 to 32 to adopt a resolution by the leader of the opposition to have communist and similar activities made a criminal offence.

There was no division of opinion on the subject of communism, but only on the best means of fighting the menace. The division cut across party lines when John Diefenbaker, prominent P.C., did not vote for his leader's amendment, and one liberal and two independents voted with Mr. Drew.

The prime minister and the minister of justice both high and respected authorities, advised that in their opinion our present laws were adequate to meet any acts directed against the security of the state.

The members here shared the opinion that while the imperialistic might of Soviet Russia has increased, and the threat of aggression from that source cannot be minimized, the fact is that communism in Canada is decreasing. It is declining here because it is being beaten by the good sense, loyal patriotism, the belief in liberty under the law by our people, by the maintenance of prosperity and the eradication of social and economic injustices.

The considered view of the majority of members here is that a continuance of this policy is the best way to defeat the domestic menace of communism.

Social Security
The parliamentary committee in social security is busy making an intensive study of social security legislation in other countries. The committee has studied programs adopted in Britain, New Zealand, Australia, United States, Switzerland and France. After a study of all systems in the world the committee will endeavor to incorporate the best features of all in a recommendation to the government of a system for Canada.

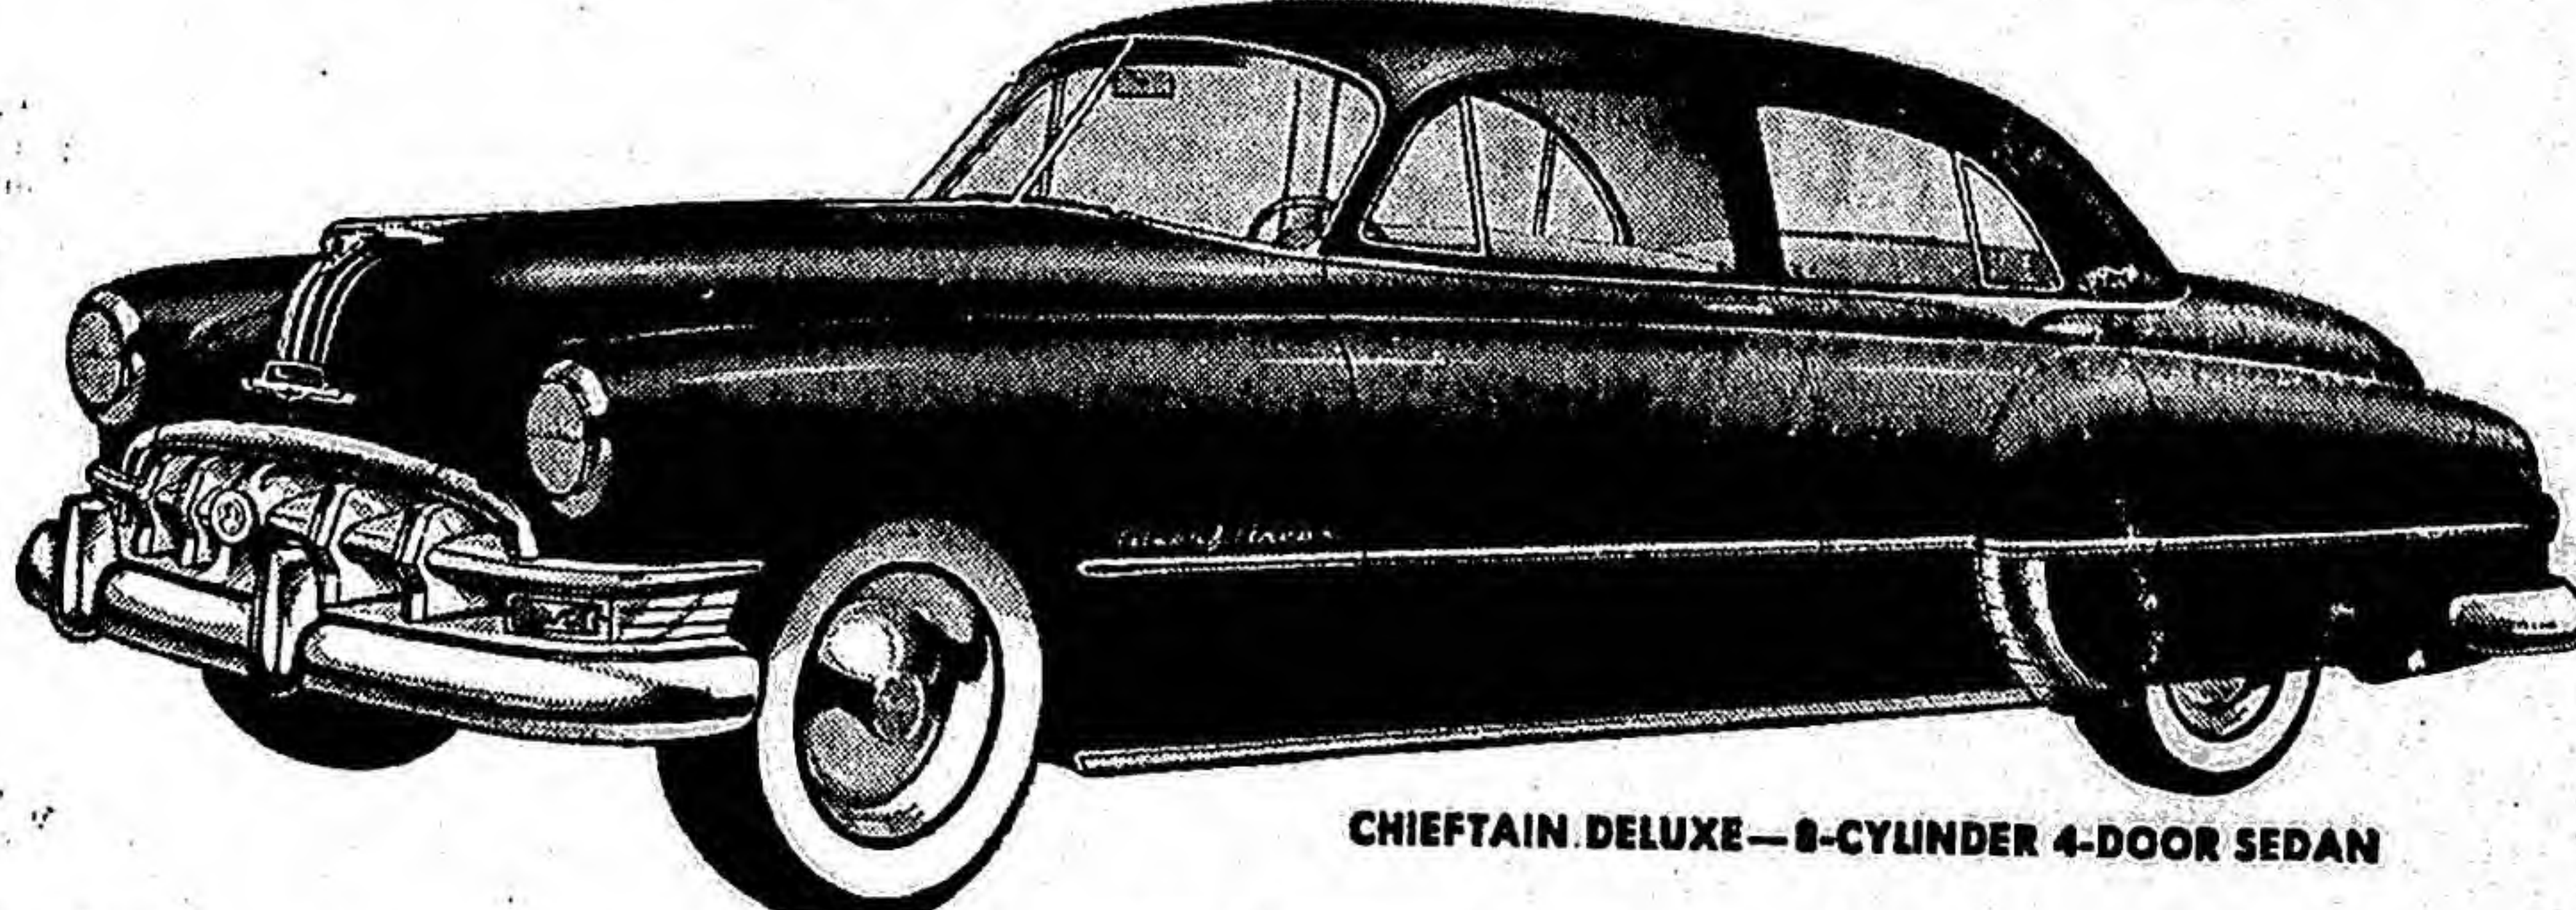

Daylight Saving

I have received some enquiries regarding Daylight Saving Time. The federal government takes the stand that barring times of emergency such as wartime, this is a matter for the provinces and municipalities. Most areas of Canada went on daylight saving time early this month. The province of Alberta, however, has a law making continuation of standard time mandatory. People who favor such a law should make representations to the provincial government.

Margarine Tax

A move in the senate to have the sales tax on margarine was defeated this week by a vote of 38-14. The majority opinion was that sale of margarine had already reached considerable proportion in Canada and that any further concessions to the product would be injurious to the dairy industry. The sales tax now accounts for about three cents per pound on margarine.

Planned Saving

paid off for the Browns

The neighbors remember how sick young Donny was a few months ago, and how worried the Browns were. But they never guessed what a serious drain his illness had been on the family purse.

Wisely, the Browns had made it a rule to put something into their savings account, week by week, almost from the day they were married. So when they consulted their bank manager, their credit was good. With the help of a small bank loan, they were able to pay all their bills promptly. Now Donny is healthy again—and so is their bank account.

Planned saving pays off, when bargains, opportunities or emergencies come along.

YOUNG HOPEFULS BY DOROTHY MUIR BOWMAN

Larry fascinated by fire

Young Larry, 16 months old, is an inquisitive little adventurer and in need of constant supervision.

There was a time when Larry was a very obedient child. That was before he discovered what a very interesting world he lived in and how much attention he aroused by doing the very things he was told not to do.

One of the chief attractions in Larry's world of adventure is the space heater. Simply by opening the door, there's the magic of fire and excitement all around him.

Even though Larry is advanced for his age, he hasn't learned to respect fire and he is too young to accept a reasonable explanation. If, at any time he had been burned so that he felt pain, reference to that experience would be sufficient warning most likely. Nevertheless, warnings must be repeated and repeated when the danger isn't apparent.

parent to the child. Sometimes, children have to experience danger to be sufficiently impressed. In this event, arrangements to allow the child to feel the heat from the burning match may be impressive.

Fire has a strange fascination. However, warnings against it are as important as warnings against crossing the streets, warnings against thin ice. Omit the usual little warnings and the child will be more impressed with the important warnings.

An inquisitive and adventurous little lad such as Larry needs to be given much freedom of action and needs a variety of activities to keep him occupied. It's to be expected that he will get himself into mischief and into difficulties from which he can't entangle himself. Yet he is learning by his experiences and warnings should be repressed unless the child is really and truly in danger.

THE HOMEMAKERS

Serve veal for a change

Veal requires long slow cooking and should never be served until well cooked. People who prefer rare roast beef should never compare veal with beef. Veal is too often served undercooked and is therefore tough and unappetizing. Such meat could never be popular with any family.

Because it lacks fat, veal requires the addition of a generous amount of fat to give it that good brown color and juiciness. The roast should be well covered with fat before roasting and basted as it cooks.

The milk flavor of veal allows variety in seasonings. Herbs such as thyme, parsley, rosemary or savory go well with veal but should be used with a light hand. Sometimes a little celery salt or a few grains of nutmeg will add distinction. Salt and pepper are standard seasonings but paprika is better than black pepper with veal.

VEAL STEAK

1½ lbs. veal steak, ½-inch thick
2 tsp. flour
1 tsp. salt
Dash of paprika
1½ cups sliced onion
3 tsp. fat
½ cup chili sauce
1½ cups boiling water
½ cup grated cheese
Cut veal steak into six pieces. Dredge with flour, seasoned with salt and paprika. Brown veal and onions in hot fat. Add chili sauce, boiling water and grated cheese. Bring to boiling point, cover and simmer slowly until meat is tender, about one hour. Yield: six servings.

VEAL SHANKS PIQUANT
6 3-inch pieces of veal shank, about 4 lbs.
½ cup flour
¼ tsp. salt
¼ cup fat
2 cups tomato juice
2 tsp. spicy meat sauce
2 tsp. horseradish
1 tsp. salt
few grains pepper
Dredge meat with seasoned flour. Brown in fat using a heavy frying pan or Dutch oven. Combine tomato juice, spicy

meat sauce, horseradish, salt and pepper, bring to the boil and pour over meat. Cover and bake in a slow oven, 300 degrees, for two hours or until tender. Thicken gravy with seasoned flour from dredging. Yield: six servings.

VEAL CORN BAKE

2 lbs. breast or shoulder of veal
2 tsp. flour
½ tsp. salt
¼ tsp. pepper or paprika
3 tsp. fat
1½ cups cream-style corn
1½ cups milk
Remove bone and cut meat in half-inch slices. Combine flour, salt and pepper and roll meat slices in mixture. Melt fat in frying pan and sauté meat until well browned. Arrange pieces in greased casserole. Combine corn and milk and pour over meat. Cover and bake in a moderately slow oven, 325 degrees, for 1½ hours. Remove cover and continue to bake ¼ hour longer. More milk may be added during cooking, if necessary. Yield: six servings.

KETTLEBY W.A., W.M.S.

East said making its choice Missions need every help

The W.A. and W.M.S. of Kettleby United church met in the hall May 9, at 3 p.m., with the president, Mrs. Hodgson, in the chair. Mrs. Hodgson thanked all those who made the sale of clothing last month such a success and announced that next month Mrs. Howe, first vice-president of Toronto Centre Presbyterial, would be guest speaker.

Mrs. Don Ray gave the report of the spring rally held in Newmarket which four members attended. The theme of the worship service, led by Mrs. E. Brooks, centred on the verse, "Thy word is a lamp unto my feet and light unto my path."

Mrs. Daniels, the stewardship secretary, suggested that all could say with Paul, "I have a stewardship." Service to others always pays dividends, and a good steward is always faithful. The members enjoyed very much the beautiful solo, the greetings from Mrs. Maitland, the discussion on junior groups, the delightful lunch, the seeing of many familiar faces and some old friends.

At the afternoon session, the Community Friendship secretary told of the opportunity that office had to assist the newcomers in the community and to aid the minister with his visiting. Mrs. R. S. D. Simpson spoke of the great value associate members could be.

Mrs. Perigee gave some up-to-date facts on Temperance and the appalling conditions arising from intemperance. Mrs. Donald MacLean was guest speaker. Her topic was overseas missions. She said 10 Christian students in West China feel that the hope of the country depends on the Christians. The missionaries in China today remained there by choice, but they greatly need prayers and financial aid. The doors of China are closed to new missionaries by the communists but the doors of Japan are wide open.

The youth of Japan is inquiring into Christianity and communism and what they choose depends to a large degree on us, she said. She spoke of the wonderful work being done by Dr. Pearson on nutrition in India and Dr. Luthardt in his work on literacy in Africa, and we can help here at home a great deal by our prayers and financial aid.

Mrs. Anson McCluskie presided over the W.A. meeting, assisted in the worship service by Mrs. M. Cook. Mrs. McCluskie welcomed the guests, a group of Dutch ladies from the Marsh. Plans were completed for the May 24 concert when "A Hearty Made Family" will be presented at 8.15 p.m., in the United church hall.

Mrs. Albert Jewitt sang a solo and Mrs. Frank Billings took the topic, choosing for her subject, Citizenship. She said the coming of Christ raised the status of women from mere servants to their rightful place in home and country. She said the greatest and best work we as women could do as citizens was to raise our children in Christian homes, teaching them to observe the laws of our country and respect the rights and privileges of others.

We should be interested in the affairs of the government, she said. Our franchise was dearly won for us and we should use it wisely and as often as we have opportunity. We should teach and practice democracy which means "working together for the most good to the greatest number."

The Common Round...

By Isabel Ingles Colville

MOTHER'S DAY
AND MUSIC

There is one thing that I think most of us associate with our mothers and that is music—the hymns, the lullabies and the nursery rhymes. Three hymns that will always bring back my mother's face and the safe security of her arms are "There's a Friend for Little Children", "Once in Royal David's City" and "Abide with Me".

BIRTHDAY CLUB

Birthday wishes are extended this week to:
Jacqueline Davis, Sharon, ten years old on Friday, May 12.
George Case, Newmarket, 13 years old on Friday, May 12.
Kenneth Elmer, Aurora, 15 years old on Sunday, May 14.
Roy Bolton, Aurora, 11 years old on Sunday, May 14.
Billy Allan, Mount Albert, four years old on Sunday, May 14.
Colleen Cain, Newmarket, ten years old on Monday, May 15.
June Blair, Newmarket, 15 years old on Tuesday, May 16.
Ruth Tomlinson, Roche's Point, 11 years old on Tuesday, May 16.
Betty Sutton, Newmarket, 14 years old on Tuesday, May 16.
Donald Wayne Bone, Newmarket, 11 years old on Tuesday, May 16.
Jean Chamberlain, Newmarket, 15 years old on Tuesday, May 16.

Diane Allen, R. R. 1, Mount Albert, four years old on Tuesday, May 16.
Ronald Dillman, Malton, 13 years old on Wednesday, May 17.
George Allan Harrison, R. R. 3, Mount Albert, nine years old on Wednesday, May 17.
Kenneth Smith, R. R. 3, Newmarket, 15 years old on Thursday, May 18.
Jane Pemberton, Newmarket, 13 years old on Thursday, May 18.
Martin Edgar Harrison, Mount Albert, ten years old on Thursday, May 18.

Any child who has not lain with sleepy head on mother's breast and sleepy eyes on that loved face and drifted off to dreamland on a tide of sweet sounds, has been cheated out of one of its loveliest rights. I hope in many churches as in Trinity United, Newmarket, it was the children who furnished the music on Mother's Day.

There is something about child voices that goes deep down into one's heart. They are so unhampered by self-consciousness, so light-heartedly unaware and unafraid of what may lie ahead that they sometimes have something of angelic serenity and sweetness. No church should be without a children's choir to sing the praise of Him who said "Suffer the little children." A children's choir is a rare opportunity for a conductor, a marvelous training for the children and a source of unlimited pleasure to the congregation. One felt, this morning, as well as saw, the concentrated attention of all while the children sang.

Award Prizes
A pleasant little ceremony took place when Mr. Fowler asked Mr. H. A. Jackson to come forward and present the lovely prizes donated by Mr. McCauley to those children whose attendance record was perfect at rehearsals. There were Jean Rose, Marcia Sinclair, Noreen Walker, Eleanor Hughton, Cherith Pipher, Donald Bray and Barbara Lewis.

Rev. H. Cotton preached eloquently on what the world owes to mothers and to the home and the danger to children when the sanctity of that home is invaded by divorce, by alcohol and by secularism. There was the feeling of spring in the service—the perfume of the lovely flowers that smiled at us from their massed beauty before the pulpit, the faces of the tiny new members being brought into the fold of Christ's church, the white and scarlet of the chorists—all gave a benediction of love and fellowship that was inspiring. The "Angel's Serenade" and the "Spring Song" which Mr. Fowler used during the service were an added touch.

Aid for Flood Victims

Mr. Cotton read an appeal from the Red Cross for aid for the flood victims. It is hard for us, in the midst of this glorious spring sunshine and in our dry and cheerful homes, to visualize those who, by flood and fire, have lost what many take a lifetime to gather. It makes one wonder if our thankfulness for being free from disaster is ever real and great enough.

Monthly Musical

Last Sunday evening, May 7, the Trinity United church senior choir put on its usual monthly musical service. Besides the anthems there were three numbers which were rendered outstandingly. These were two organ and piano duets by Mr. Fowler and Jean Rose. The two numbers with organ and piano were a treat to any music lover. There was an equality of tone and a sympathetic interweaving of melody and accompaniment that was delightful and one can only hope to hear many more. It is amazing to hear a girl of 14 possessed of a technique and a musical sense which make it possible for her to be a part of such a duet.

"Our home town or community needs our support not our criticism. Do we appreciate enough our Canada? We should be loyal to our King and loyal to God."

Mrs. McCluskie closed the meeting and a delicious supper was served by the hostesses, Mrs. M. Cook, Mrs. A. Jewitt, Mrs. J. Day and Mrs. S. Houghton. After supper our guests expressed their thanks for their invitation and sang for our pleasure several hymns in Dutch.

We hope, as I said before, that Mr. Fowler has many such with which to delight us in the future. The other feature was two violin solos, "Arioso" by Bach and "Adoration" by Borowski played by Mrs. Joy Johnson Harndend. They were played with feeling and sweetness. Bach has been gone from this mortal plane for some 200 years, but his "Arioso" can still carry its lovely message to us who live in a different age. "Music hath charms".

SING BY SPECIAL REQUEST

The girls' Double Trio of the Christian Baptist church junior choir, Newmarket, will sing by special request at the anniversary services in First Baptist church, Orillia, on Sunday, May 21. This trio, which is under the direction of Mrs. J. E. Cane, organist and director and music, has been much in demand for anniversary services in various churches and other occasions also.

Year in year out quality has
always been and will always
be the first consideration with

"SALADA" TEA

Barbara Brent's BUYS AND WHYS

MONTREAL — Guests for the week-end? Serve a Swans Down Cake — fluffier than a baby chick, tender as a new bud. I feel I'm complimenting my guests' good taste when I serve a festive cake — and SWANS DOWN CAKE FLOUR is just the flour for better-tasting cakes. Sifted and resifted until 27 times as fine as ordinary flour, Swans Down insures your greater baking success. Try a Swans Down Cake this week-end for a special treat. You'll have a cake at its superb, company-mannered best.

Your Money Won't Grow Wings and fly away when you have an account at the BANK OF MONTREAL. When you pay your bills by BoM cheque your stubs are an exact record of your expenditures. And the cancelled cheques, which the BoM will send you every month, act as your receipts. It's such a neat 'n' tidy — such a convenient way of keeping your finances in order! ... no wonder it appeals to so many women. I know! What's more — it's safe! For there's no need to keep loose cash lying around the house or in your purse. So why not open your account tomorrow at your nearest BoM branch? You're sure to find friendly people, eager to help you, on the other side of the BoM counter.

Your Eyes Will Have A "Field Day"

Looking at the exciting new 1958 Frigidaire Refrigerators inside and out. So visit your FRIGIDAIRE Dealer... and discover the dozens of reasons why you can't match the World's No. 1 Refrigerator! You'll see new brilliance in styling... new space-saving design... new food-saving features galore! Examine those more kitchen space than yesterday's small models. See all those things and you'll realize why you can't match a Frigidaire. It's because there's only one Frigidaire — the refrigerator made only by General Motors! See the new models soon.

Just As GOOD For The Youngsters as all the other delicious ways of serving JELLO PUDDINGS... this Heavenly Home-made Ice Cream. Every creamy smooth Jello-Pudding makes dessert a mealtime high spot. And they are equally as good served plain or "dressed up". Add 3 cups milk and 1 cup sugar to package Jello-Chocolate Pudding. Stirring constantly, bring to boil. Cool slightly, then turn into tray of mechanical refrigerator. Chill at fastest freezing speed for 1½ hours. Remove to bowl, gradually mix in 1 cup cream (whipped). Stir well. Freeze 1 hour longer. Return to bowl, beat with mixer until smooth but not melted. Complete freezing.

Of Course these soups (all rights reserved) are marvelous served just as soup... but it's fun, too, to discover how good! HEINZ CONDENSED SOUPS can be in your main dishes. They're so versatile! Here's a Heinz Soup recipe that makes a wonderful main-course dish for a May lunch or supper! TOMATO RABBIT

Looking For A "Bargain" In Flavor? Then I recommend that you try RED ROSE TEA! There has been no increase in price of Red Rose Tea! And you'll know from the very first flavorful sip that it's quality tea! And, because it's good tea, it actually gives you more cups per pound — its flavor goes a long, long way! Yes, a cup of Red Rose Tea costs less than a cent — including the milk and sugar! So much flavor-satisfaction for so little! I can tell you that Red Rose Tea gives you tea-satisfaction you'll never thought possible, that it's a real taste treat! And the best way for you to find out how truly good it is, is to try it for yourself! And, when you're ordering, ask for Red Rose Coffee, too! You will find that Red Rose Coffee is as good as Red Rose Tea.

"Miss Mary, quite contrary, how do your cakes turn out?" Light and fluffy as a dream, of course, if you use CALUMET BAKING POWDER. Calumet, you know, is the baking powder with the double action — the extra feature that means so much to fluff, better textured baking. With Calumet's two-way action, the first taking place in the mixing bowl, the second action in the oven, I can rely on all my baking — tea biscuits, muffins and cakes — being more delicious. So if you want your baking to be very much in demand, try Calumet Baking Powder.

WHITCHURCH MEETS

Police seek raises, Protest school lack, Dumping at council

A brief from the York County Police Association was read before Whitchurch council sitting in regular session on Friday evening, which called for various improvements in working conditions, salary and allowance increases desired by the local constables.

The brief set out salaries at \$2,850 for the chief of police in the township, and \$2,750 for a first-class constable. An increase in mileage was sought from seven cents to ten cents per mile.

The statement called for one and a half days sick leave each month and asked that this leave be allowed to accumulate. Holidays with pay and a pension scheme were the other points included in the police brief.

"Those salaries are higher than paid by the county," commented Reeve Ed Logan.

Councillor Fred Timbers was absent from the meeting, and Councillor Sid Legge suggested that the matter be tabled for discussion before a full council.

Dumping Nuisance

A deputation came before council concerning what it termed a "dirty mess" on the second concession and the CFRB side-road, where garbage was being dumped indiscriminately along the roadside.

The refuse was constantly on fire the deputation claimed, and Aurora fire brigade had to be called several times each season to protect the bushland nearby.

It was claimed that the Aurora town garbage collector was the chief offender, and the Aurora tannery also came in for criticism for dumping its waste material in this area.

The ratepayers were advised to get a petition signed, and the matter would be attacked either from the standpoint of public health or public nuisance.

Condemns School Situation

Bob Sharp, ratepayer from Wilcox Lake, waited on council as spokesman for a deputation concerning the lack of public school facilities at the lakeside.

"Some of our kiddies can't go to school at all, and some can only go part of a day," he contended.

Reeve Logan quickly assured Mr. Sharp that a four-room school would be built at Wilcox Lake this summer ready for fall occupancy.

The illness of members of the arbitration board handling the Oak Ridges school situation had held up action for some time, council stated.

Mr. Sharp voiced strong dis-

BROWNHILL

There will not be any Sunday-school next Sunday, May 21, because of the district quarterly meeting being held at Oshawa. The following Sunday, May 28, there will be Sunday-school for those interested in the Free Methodist church. There will be May 23 to June 11. Special a tent meeting at Baldwin from workers, Rev. R. G. Babcock of Newmarket and Rev. C. W. Reynolds of Kingston, and special singers will be present. Services every week night at 8 p.m. and Sundays at 2.30 and 7.30 p.m. Miss Elma King has been helping Mrs. Sarah Miller.

Mrs. Percy Bassinger has been ill.

Mr. E. Duwell, Sr., has been home for two weeks and seems to be doing very nicely.

Mr. Joe Brasseur visited Toronto one day last week.

We are sorry to learn Mrs. Dorothy Marritt from the eighth concession has been ill all winter and is now in Newmarket hospital. Her son, Joseph, visits every visitors' day. He bicycles 16 miles to Newmarket and back.

Most of the mothers here at Brownhill were made happy on Mother's Day by a visit from their children and many gifts.

Mr. Alex. Duwell and Mr. Stan Wilson visited at Orangeville over the weekend.

Arthur Tuer celebrated his tenth birthday May 13.

This year the small fry that usually enjoyed fishing in the creek while fishing, missed that program this year.

Nearly everyone has his garden plowed and ready for planting.

The softball season has started for both adults and juniors. All have a very keen interest in these games.

(Held from last week)

Gardening is the main project at Brownhill. Mr. and Mrs. Warren Sedore have their garden ready and likely some planted.

John Crouch has had some garden all spaded up and planted.

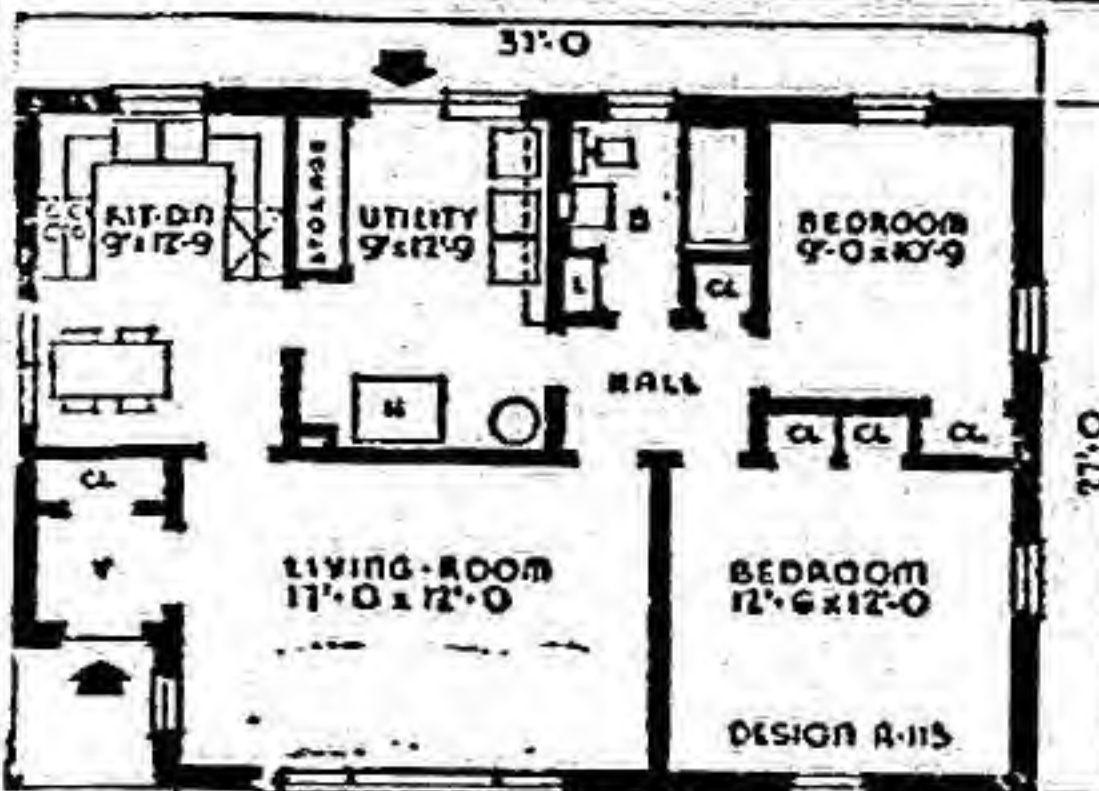

Mr. and Mrs. Rublinoff were at their Brownhill home over Saturday and Sunday along with some of their family.

Mr. and Mrs. G. McKelvey visited Miss Shirley Sedore last Sunday for a little while.

Mr. and Mrs. Corps visited at Orillia over the weekend.

Mrs. Williams has a nice supply of china, plastics, dresses, along with other fancy goods.

Small House Plans . .

THE AMHERST is a two bedroom house constructed of 8" concrete blocks, stripped for lath and plaster on the inside. Gable ends are finished with siding on frame. The first floor slab is laid on a gravel or cinder fill.

Heating, laundry and storage space are provided for in the all plumbing is in line.

How an Iron Fireman VORTEX BURNER

saves oil

This flat, whirling flame gives more heat with less oil

Ordinary gun-type oil burners enclose the flame in a pit where much of its heat is wasted. Iron Fireman's money-saving Vortex oil burner blankets every inch of heating surface with rich radiant heat. Saves you up to 30% on oil.

3 YEARS TO PAY

CONVERT YOUR OLD FURNACE OR BOILER, OR INSTALL A SELF-FIRED UNIT

Why pay for heat you're not getting? An Iron Fireman Vortex can be installed in your present furnace or boiler in just a few hours—and then watch your fuel bills go down, home comfort go up. Complete self-fired Vortex units are available too. Exclusive Iron Fireman automatic controls. Phone or write this week sure, for a FREE survey.

CANADIAN INDUSTRIES LIMITED

AGAIN CANADA'S TOP TRUCK VALUES

NEW P.L.
ADVANCE-DESIGN TRUCKS

THE PERFORMANCE LEADERS

with 3 More Powerful Truck Engines

Canada's fastest selling trucks offer stepped-up power and performance with three great valve-in-head engines. On the hills or on the straightaway, they deliver the goods surely, swiftly, at low cost. Every new Chevrolet P-L truck gives you high pulling power to eat up hills and rough roads—and on the straightaway, high acceleration to cut down total trip time. Come in and see these great performance leaders today!

MORE HORSEPOWER... GREATER PERFORMANCE!

Chevrolet's three great truck engines now made even finer! New Power-Jet Carburetor and larger exhaust valves mean greater power-per-gallon—real mile-eating power that hauls the heavy loads on the roughest roads. Faster warm-up, faster pick-up, better low-speed operation, better hill-climbing are further features of new Chevrolet Valve-in-Head engines!

Price Leaders

From low selling price to high resale value, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high trade-in value—all add up to the lowest price for you.

Payload Leaders

Far ahead with lower operating costs per ton per mile. The rugged construction and all-around economy of Chevrolet P-L trucks cut running and repair costs—let you deliver the goods with real reductions in cost per ton per mile.

Popularity Leaders

Jr. Farmers judging, Achievement Day At Newmarket May 27

At the recent meeting of directors of the York County Junior Farmers' Association, it was decided to again hold the livestock judging competition and girls' achievement day at Newmarket on Saturday, May 27. This is one week earlier and also changed to a Saturday because so many of the contestants are attending school and getting ready for examinations.

The girls' club work is expanding and more room has been secured by arranging to hold its competition and displays of its work in the Newmarket town hall where they will register at 8:30 D.S.T. Miss Lucille Barber, the county home economist, has been carrying on interesting projects with the girls for the past year through local club leaders on the projects, "The Club Girl Entertains" and "Clothes Closets Up To Date".

Visitors will be welcome at the town hall for the afternoon meeting. This year a number of scholarships will be provided by the Downtown Kiwanis club, Toronto, in the girls' work as well as in the boys' clubs.

For the judging competition, the boys will register at the agricultural office, 12 Botsford St., Newmarket, at 8:30 D.S.T. before proceeding to farms of the community to judge classes of horses,

sheep, swine, beef and dairy cattle.

In the evening a banquet will be held in the King George hotel at 6:30 for the two groups when the major prizes of the day will be presented. Plans were also made by the directors for the annual York County Junior Farmers' picnic and dance at Musselman's Lake on Friday, June 9.

BELHAVEN

Mr. John Morton, Toronto, visited Mr. and Mrs. Norman King on Saturday.

Mrs. Jack Boag and children spent the weekend with her parents, Mr. and Mrs. Ralph Weddell.

Pleased to see so many out to Sunday-school. There were 60 present and a special Mothers' Day program was provided.

Preparations are being made for the Institute convention to be held in Belhaven hall May 25. Belhaven Institute will be hostesses.

Sympathy of the community is extended to Mrs. Pollard and Mr. Wilkinson in the death of their sister, Mrs. Billings, Aurora.

Mr. and Mrs. G. Smalley and family, Mount Albert, spent Sunday with Mr. and Mrs. N. King.

Mr. Geo. Mundy is home again after his operation and is doing nicely.

Mr. and Mrs. Harry Horner and family called on Mrs. Horner's mother, Mrs. Stiles, Queensville, Sunday afternoon.

Mrs. Ivan Mann has been visiting her daughter, Arva, Toronto, who recently underwent a serious operation but is doing nicely now.

WEEKLY

Garden graph

By DEAN HALLIDAY

Released by Central Press Canadian

Many home gardeners prefer dwarf fruit trees to standards as they are easier to plant, prune, spray and later to pick their fruit. Best of all they are space-savers in the average small backyard. Also in their favor is the fact that they usually bear fruit the second year after planting.

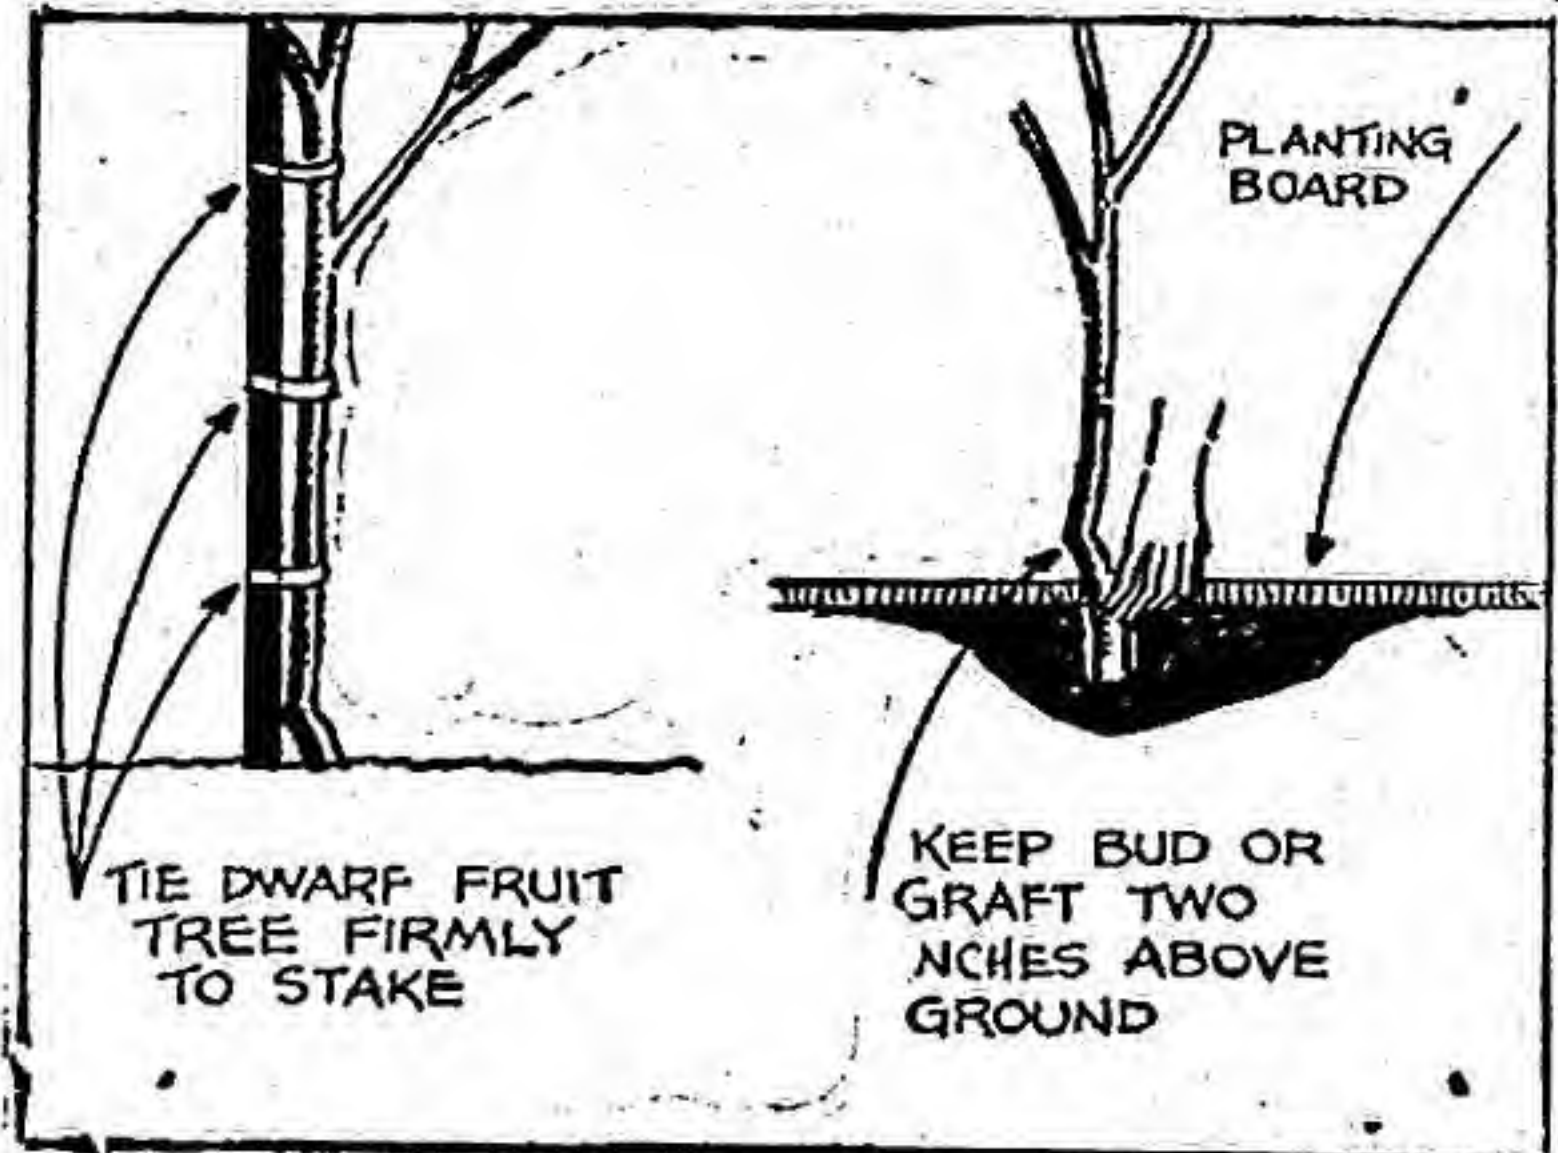

Dwarf trees are simply miniature editions of the standard sizes. The difference is only in height and width, not in size of the leaves, flowers and fruits.

These miniature fruit trees should be set in the ground so that the bud or graft is at least two inches above soil level, as shown in the accompanying garden-graph. This is important. If the "bud" is placed under the soil, the tree will send out root from the bud, the tree will become "own-rooted" and a large tree will result.

Use of a planting board, as illustrated, makes it easier to plant a tree at the right height. A V-shaped notch in the centre of the board helps to hold the tree in position until soil is firmed about it.

Dwarf trees should be located in full sunshine. Even part shade is harmful to them. Commercial fertilizer should not be used at planting time. A little well-rotted compost, thoroughly mixed with the soil, will be beneficial. The trees should be firmly staked, as illustrated, since they are shallow rooted.

Dwarf trees now available for backyard orchards include apple, peach, cherry, pear, plum, apricot and even almond. In each category there are a number of varieties available.

Queensville News

Mrs. Baker, Toronto, spent the weekend with her sister, Mrs. I. Williams. Mrs. Williams is now convalescing at her home.

Mr. Frank Kavanagh is gradually improving at Toronto Western hospital.

Mr. Wm. Huntley was taken to Toronto Western hospital on Sunday where he will undergo an operation. For all these sick folks we wish a speedy recovery.

Mrs. Fraser, Toronto, is visiting her mother, Mrs. Clarkson. Mrs. Kyle and Joyce have returned from Montreal and are visiting Mrs. Wm. Huntley and family.

Miss Nancy Kavanagh spent the weekend in Toronto.

Weekend guests of Mr. and Mrs. Ivan Day were Mr. and Mrs. Ed Day, Lindsay, Mr. Ralph Day, Orillia, Mrs. R. J. Cowie and Miss Muriel Cowie, Oshawa.

Mr. and Mrs. Wilkinson visited Mr. and Mrs. Chas. Weston. Files to New Lowell.

Mr. Bill Coates took Mr. Bill Burkholder to New Lowell by plane on Friday but couldn't land because of the water.

Mr. and Mrs. Fred Daniels and Chris spent Sunday in Toronto.

Weekend guests of Mr. and Mrs. Clarence Wright were Mr. and Mrs. C. Spencer and Eileen, Toronto.

Mr. and Mrs. Clair Smith, Toronto, spent the weekend with Mr. and Mrs. J. L. Smith.

Mr. and Mrs. Wm. Clark and Mrs. Albert Milne spent Sunday with Mr. and Mrs. Bill Jackson, Toronto.

Sunday guests at Mr. Harry Hulse's home were Mr. and Mrs. E. J. Morton, Bradford, and Mrs. G. Slightman and son of Toronto.

Mr. and Mrs. Dan McGenerty and Mr. and Mrs. Bill McGenerty, Keswick, visited Mr. and Mrs. Marritt McKelvey on Sunday.

Mr. and Mrs. K. Browncomb, Toronto, visited Mrs. Browncomb's parents, Mr. and Mrs. Wm. North, over the weekend.

Salvage Collection. The Boy Scouts, Newmarket, will be collecting salvage on Saturday, May 20, in our village. Have your papers, magazines and rags tied securely in bundles ready for them.

Mr. and Mrs. John Wolansky and Eric, Toronto, spent the weekend with her parents, Mr. and Mrs. Wm. Pickrell.

Mr. N. Mabbett has sold his residence to Arnold R. Porter, Toronto.

Miss Vera Arnold visited Mr. and Mrs. Scott Ferguson, Richmond Hill, on Monday.

Mr. and Mrs. R. T. Stone moved to Newmarket on Monday. We welcome to our community Mr. and Mrs. Gunn who moved into the same property also on Monday.

Home and School Ass'n. The Home and School Association will meet in the school on Monday evening, May 20. Further details next week.

Mother's Day guests of Mr. and Mrs. A. J. Milne were Mr. and Mrs. Jack Connolly, Lindsay, Mrs. Frank Clemens, Peterborough,

and Misses Barbara and Betty Milne, Lindsay.

Mrs. Jim Leggett, Toronto, spent the weekend with her sister, Mrs. Harry Toombs.

Mr. Ross MacKenzie and Sandy, Toronto, spent Mother's Day with Mrs. MacKenzie.

We are sorry to report Mr. Gene Planagan was taken to York County hospital on Monday morning. We hope that in the near future he will be much improved.

Mr. Leon Trivett and Mr. Garnet Trivett and bride, all of Toronto, spent Sunday with their sister, Mrs. Gordon Wilmot.

Mother's Day guests of Mrs. Robt. Stiles were Mr. and Mrs. Harry Horner and family of Sutton West and Mr. and Mrs. Max Stiles and family of Newmarket.

'Ready-Made Family'. Come and enjoy a laugh at the three-act play, 'Ready-Made Family' to be presented in the United church basement on Friday, May 20. This will be under the auspices of the W.A. but is presented by the Scout mothers of Keswick. See coming events for further details.

Zephyr News

The recital and lecture given under the auspices of the United church W.M.S. by Edna Jaques, poetess and traveller, on Wednesday afternoon was largely attended by our own members as well as many from the neighboring societies.

Rev. A. F. Bamford acted as chairman. Mrs. B. Armstrong, president of the W.M.S., welcomed the guests and Mrs. J. H. Lockie introduced the speaker. The church was tastefully decorated with spring flowers.

Mrs. C. Arnold and Mrs. Isabel Ballard acted as ushers. About 200 were present to hear the lecture and program. Miss Jaques' numbers were very interesting, and having a keen sense of humor, were enjoyed by all.

Among the musical numbers were a piano solo by Mrs. Snider,

Mount Albert, Mrs. Graham, Udon, and Mrs. Mustard of Leaskdale.

After the program was over afternoon tea was served in the Sunday-school room. Mrs. Wm. Rynard and Mrs. J. H. Lockie poured tea at the table, tastefully decorated with daffodils. The proceeds amounted to \$50 and will be used to help on the missionary work of our church.

Mr. and Mrs. Geo. Parker, Peggy and Mr. Wallace of Weston spent Sunday with Mr. and Mrs. Jas. Galbraith.

Mr. and Mrs. Marr visited Mr. and Mrs. John Galbraith one day last week.

Miss Muriel Bamford gave an address at the evening service at Sandford on Sunday. Some from Zephyr went to hear Miss Bamford speak on her work in India.

Owners say... Before you buy any car...

TEST-DRIVE the '50 FORD

THE SWING IS TO THE ONE FINE CAR IN ITS FIELD

SEE YOUR FORD DEALER TODAY!

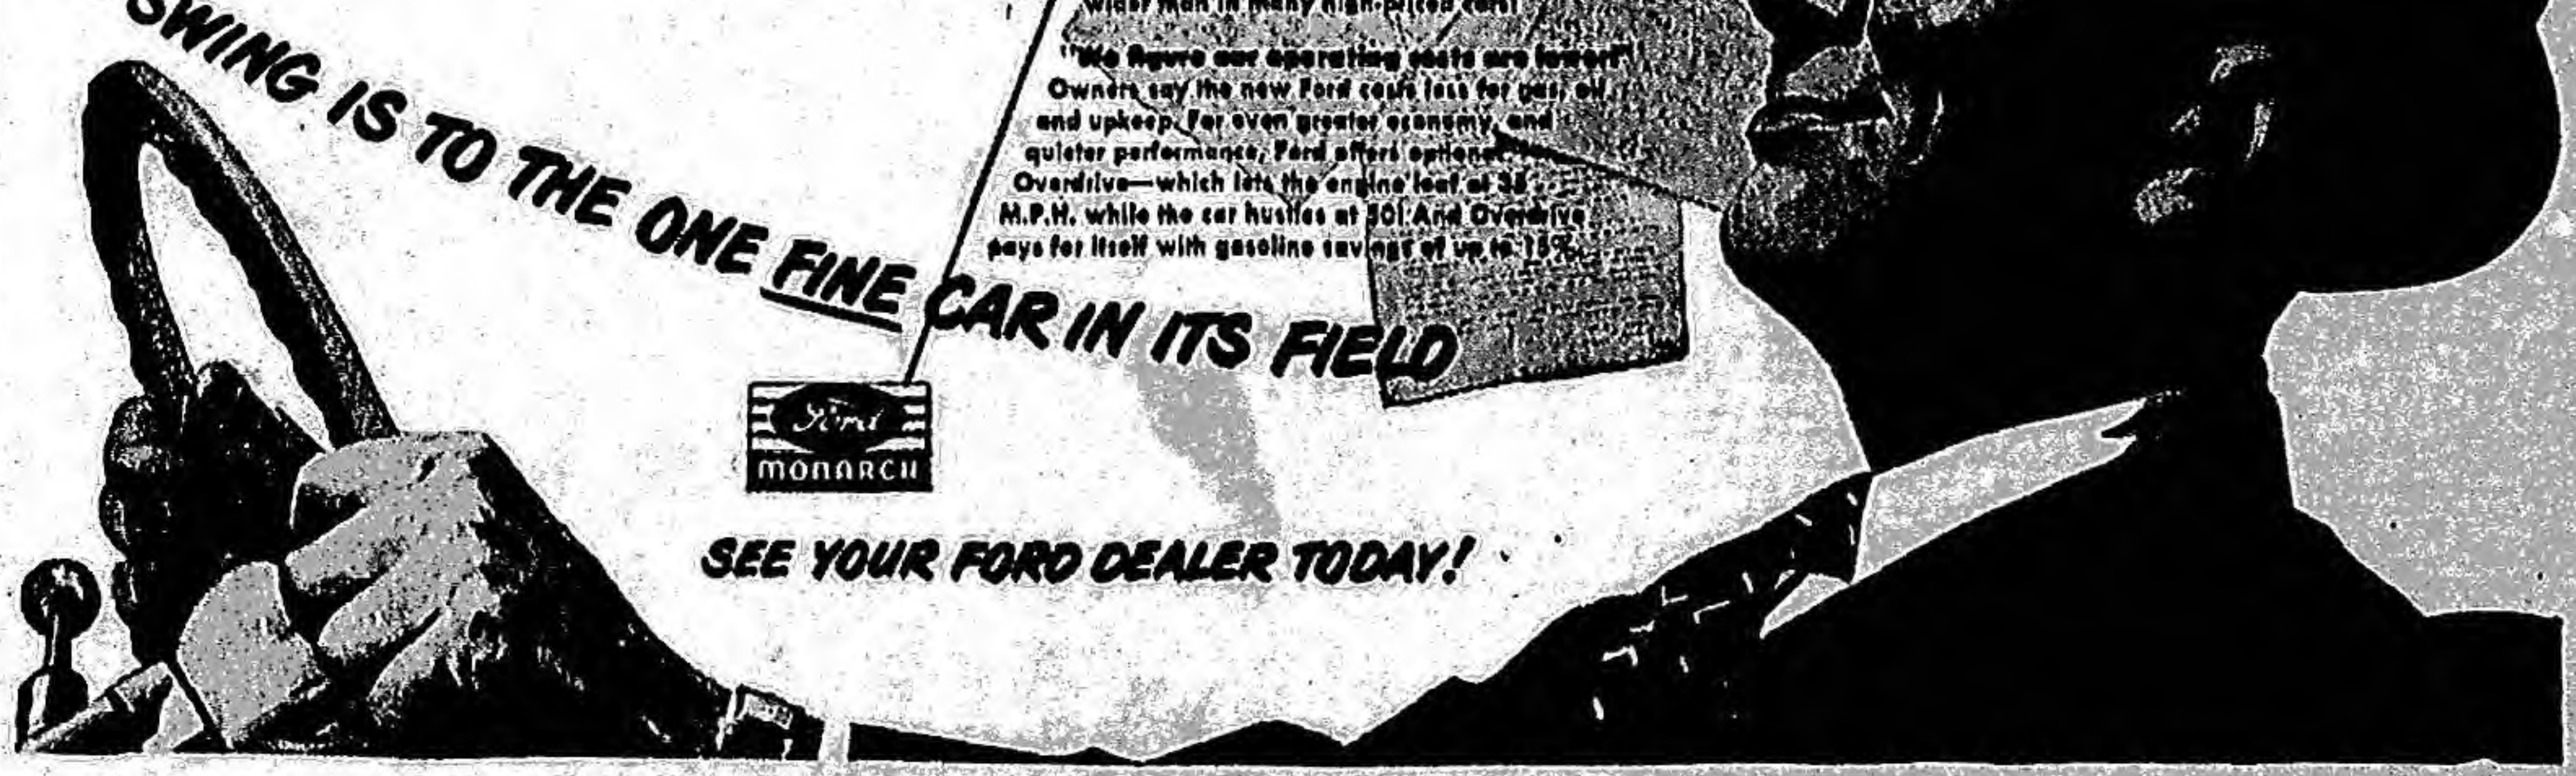

"Quickest car I've ever owned!" That's what letters from enthusiastic owners say about their '50 Ford. That's what you'll say when you "Test-Drive" the new Ford yourself. Ford's improved V-8 Engine whistles while it waits. The new sound-absorbing "LifeGuard" Body lets you talk in whispering highway speeds.

"I like my Ford's QUALITY look!" The new Ford looks in part as winner of the famous Fashion Academy Award. Ford's extra quality in the new, new-age front end springing from team rubber cushioning—in the inner fenders and impressive instrument panel.

"Least-bumping car I ever drove!" Among Ford's 50 brand-new features are the "Finger-Tip" Steering, 35% over-engineered "King-Size" Brakes, 100 horsepower performance.

"We can drive all day without tiring!" Owners say their new Fords have the most comfort. Ford's "Mid-Ship" Ride cradles you between wheels, where the going is smoothest. "Hiding Coil" front springs and "Power-Flex" rear springs level out the bumps, ruts and potholes wider than many high-priced cars.

"We agree our operating costs are lowest!" Owners say the new Ford costs less for gas oil and upkeep. For even greater economy and quieter performance, Ford offers optional Overdrive—which lets the engine loaf at 35 M.P.H. while the car hustles at 50! And Overdrive pays for itself with gasoline savings of up to 15%.
